**TEAM JUSTICE  
Comprehensive Plan Work Group**

**Friday, March 20, 2020  
Juvenile Detention Facility & WebX  
Meeting scheduled for 10 a.m. – 12 p.m.**

---

In attendance by phone were:

Team Justice Board Members - Chair-Karen Countryman-Roswurm, Vice-Chair-Mark Masterson, At-Large appointee-Corinthian Kelly, Secretary-Kristin Peterman, & Sonja Miller (designated by Marc Bennett)

WSU Consultant – Dr. Delores Craig-Moreland & Department of Corrections staff – Chris Collins-Thoman & Jodi Tronsgard were in the same room at JDF.

Purpose: The work group met via phone conferencing to review the draft of the Comprehensive Plan. The draft and supporting materials were emailed to workgroup members prior to the meeting.

The workgroup provided input for edits to the document for additions and clarifying information. It was determined that updates would be made to the document and sent out for review by the workgroup prior to sending to Team Justice. Team Justice would then receive the document prior to the April 3 meeting to allow time for review.

Karen raised issue during the meeting of appointment process for Team Justice. Chris agreed to provide the current county process separately after the meeting.

Karen also brought up the EB funding application from Team Justice. That document had edits from the March meeting. It will be resent to TJ members with the edits prior to the April meeting and addressed further during that meeting.
