

DEPUTY REPORT **March 27, 2020**

Lt. KeeKee S. Taylor D1346

ATTENTION: Captain Schechter (Through Channels)

SUBJECT: PREA Committee Review

On March 27, 2020, the PREA Committee conducted a review of six unsubstantiated cases and two substantiated cases. The unsubstantiated cases were: 19S011947, 19S012818, 19S012819, and 20S002166. The substantiated cases were: 19S002665 and 19S012064.

In reviewing each of unsubstantiated cases, the committee determined policy was followed; nothing occurred to be able to prevent the incidents was from happening. There were no signs to make an indication in either incident a sexual abuse would occur.

The review of each case the committee did not find any indication either incident was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incident occurred the physical barriers in the area had no effect on the abuse, the staffing level was adequate and there is no need for extra cameras.

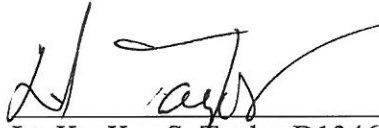

There was only one concern brought up about case 19S012818, the question was brought up if there were two deputies present during that incident, could it have possibly prevented a false allegation being made against a deputy.

In reviewing each of substantiated cases, the committee determined policy was followed; nothing occurred to be able to prevent the incidents was from happening. There were no signs to make an indication in either incident a sexual abuse would occur.
