

Visit VoterView at [myvoteinfo.voteks.org](http://myvoteinfo.voteks.org) and enter your name as you are registered and your date of birth. This will display your current voter registration information.

Under Election Details you will find information about your advance ballot application status:

Be sure to choose the correct election and enter the requested information

**Election Details** 08/04/2020 2020 Primary Election

**Advance Ballot**

Advance Ballot exists for this election, but we require more information to display it.

**Date of Birth**

Month Day Year **Look Up**

And your application status is displayed.

**Election Details** 08/04/2020 2020 Primary Election

**Advance Application**

Application Requested 03/31/2020

Application Sent 04/01/2020

Application Status Accepted

This will include Ballot status after ballots are mailed (beginning on July 15, 2020 for the Primary Election) and will indicate when your ballot has been mailed and when your voted ballot is received and processed by our office.

If our office has not processed an Advance Ballot Application for you for the selected election, this message will be displayed:

**Election Details** 08/04/2020 2020 Primary Election

We did not find an advance or provisional ballot associated with the selected election.

Please allow at least 7 days from the time you mail your application to allow for delivery and processing time.
