

DEPUTY REPORT

July 24, 2020

Lt. KeeKee S. Taylor D1346

ATTENTION: Captain Schechter (Through Channels)

SUBJECT: PREA Committee Review

On July 24, 2020, the PREA Committee conducted a review of five unsubstantiated cases and one substantiated case. The unsubstantiated cases were: 20S00268, 20S000782, 20S001423, 20S002801 and 20S002449. The substantiated case is 20S002469.

In reviewing each of unsubstantiated cases, the committee determined policy was followed; nothing occurred to be able to prevent the incidents was from happening. There were no signs to make an indication in either incident a sexual abuse would occur.

The review of each case the committee did not find any indication either incident was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incident occurred the physical barriers in the area had no effect on the abuse, the staffing level was adequate and there is no need for extra cameras.

There was only one suggestion brought up about case 20S00268, the suggestion was made could the deputies announce they are present in the shower area. This would allow the inmates to cover up to prevent a deputy from seeing them naked.

The review of the substantiated case, the committee determined policy was followed; nothing occurred to be able to prevent the incident was from happening. There were no signs to make an indication that a sexual abuse incident would occur.
