\*Deaths reported in the week of 6/7-6/13 actually occurred in previous weeks.

\*\*Community disease excludes contained cluster cases (i.e., long-term care and correctional facility residents).

\*\*\*Results from this period still being received by Sedgwick County Health Department.

\*\*\*\*The Executive Order signed by Dr. Minns to move Sedgwick County back to Phase 2 went into effect Friday, July 24, so this week is still represented as Phase 3.
