

COVID-19 Community Recovery/Reopen Metrics among Sedgwick County Residents

April 19 through August 15, 2020

KDHE re-open metrics are in blue shading

As of August 15, 2020:

- Most Sedgwick County COVID-19 metric trends are decreasing.
- The increase in new cases for August 9 to August 15 is linked to a cluster at the Sedgwick County Detention Center, not community disease spread.
