

COVID-19 Metrics: Sedgwick County Residents

April 19 through October 31, 2020

KDHE metrics are in blue shading. This table is published on Mondays and Fridays.

Because numbers are reported by test day and tests are sent to SCHED from different days, numbers can change from report to report. Most change occurs in the two most recent weeks.

Deaths are reported by the date the patient died.

As of October 31, 2020:

- Most Sedgwick County COVID-19 metric trends are increasing.
