

SEDGWICK COUNTY HEALTH ORDER

Enforcement Flow Chart

START

1

Complaint submitted on a business or event not following the local health order via an online portal.

2

Businesses will receive notification letter from Sedgwick County Health Department of health order violation complaint.

3

Officials will investigate the business for compliance.

4

If the investigation demonstrates the business is following the health order, the investigation is closed and no further action is taken.

5

If the investigation confirms a violation, a citation and notice to appear for County Court may follow.
