ADDENDUM 2
RFB #20-0068
ON-CALL CARPET SERVICES

February 17, 2021

This late addendum has been issued due to our recent discovery that the table provided in Addendum 1 was deficient in listing all necessary items pertaining to On-Call Carpet Services.

The pricing you have submitted for the first table will remain as is. However, we are asking respondents to provide your bids for menu pricing covering all necessary categories for On-Call Carpet Services that were inadvertently left off the original table.

We apologize for any inconvenience this has caused and appreciate your continued interest in bidding on these services.

Firms interested in submitting a response *must* provide your complete information **by or before 5:00 pm CST, Monday, February 22, 2021** via e-mail to Lee Barrier at lee.barrier@sedgwick.gov. Late bids will not be accepted and will not receive consideration for final award.

Sincerely,

Lee Barrier
Buyer
