This service would be as requested to include maintenance, service, repairs, replacement, sales, and installation in accordance with manufacturers' recommendations.

Notes:

In 2020, the county spent \$82,495.81 for this service.

Sedgwick County has used both of these companies previously.

Questions and Answers

Tim Myers: Just for clarification are we looking at the two (2) companies because the one vendor provided no bid for the interior walk doors?

Jaimee Witmer: Currently, we have three (3) companies for this on-call service. We went ahead so we could have another option in case one was not available for the on-call service.
