

**COVID-19 Metrics: Sedgwick County Residents
March 15 2020 through Feb 27, 2021**

KDHE metrics are in blue shading. This table is published on Mondays and Fridays.

Because numbers are reported by test day and tests are sent to SCHD from different days, numbers can change from report to report. Most change occurs in the two most recent weeks.

Deaths are reported by the date the patient died.

As of February 27, 2021:

- Most Sedgwick County COVID-19 metric trends are decreasing.
