Subject:

Reinstate the Mask Mandate

Question or Comment:

“Hello, my name is Karleigh Johnson and I am a student at Friends University. I am writing today to express my concerns regarding the decision to end the Sedgwick County Mask Mandate. As someone who has had Covid-19, I want to note that until enough people has received the vaccine, we will not be able to implement herd immunity successfully to protect others from this deadly virus. Having the mask mandate reinforced would allow us to stay protected while we await for others to receive the vaccine. Also, they’re a great fashion statement😊. I do want to leave this message on a positive note. Because of efforts in Sedgwick County, I am now the proud recipient of both doses of the Pfizer Covid-19 vaccine. Thank you for all you do.”
