

**COVID-19 Metrics: Sedgwick County Residents  
March 15 2020 through May 15, 2021**

*KDHE metrics are in blue shading. This table is published on Mondays and Fridays.*

*Because numbers are reported by test day and tests are sent to SCHD from different days, numbers can change from report to report. Most change occurs in the two most recent weeks.*

*Deaths are reported by the date the patient died.*

As of May 15, 2021:

- Most Sedgwick County COVID-19 metric trends are decreasing.

| Recovery Metrics  | Two-week Trend | Baseline before Ad Astra*     |                              | Ad Astra Phase 1            |                               | Ad Astra Phase 1.5            | Ad Astra Phase 2*             |                              | Ad Astra Phase 3              |                               | Ad Astra Phase 2*            |                               |                                |                                      |                               |                               |                                |                                |                               |  |  |

\* Weeks 2 through 6 on Baseline before Ad Astra (March-April), Weeks 2 through 6 from Ad Astra Phase 2 (May-July), and Week 2 through Week 32 from Ad Astra Phase 2 (August-February) due to space constraints

\*\*Due to lag in reporting, positive tests and COVID-19 deaths from these weeks were added on 5/17.

\*\*\*Community disease excludes contained cluster cases (i.e., long-term care and correctional facility residents).

† Hospital admission data are under review and will be updated soon.
