**ADDENDUM #3
RFB #21-0039
ROCK SALT**

June 14, 2021

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for **Rock Salt** for **Public Works**.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

Question 1: This bid is now due June 29, 2021 but not a reverse auction, correct?

Answer: Correct. Submittals as a sealed bid are described and outlined in the Request for Bid document in regards to process if wishing to elect to submit a sealed bid.

Question 2: Does the Rock Salt deliver to a silo or a ground location?

Answer: Ground level, fabric membrane storage structure.

Question 3: The first addendum mentioned the bid being changed to a reverse auction. It was not mentioned in Addendum #2 so I wanted to know if this was a sealed bid or a reverse auction?

Answer: Sealed bid. The reverse auction consideration was rejected in preference of sealed bid and resuming the competitive solicitation process with an extended date or timeline.

Firms interested in submitting a **bid**, must respond with complete information and **deliver on or before 1:45 pm CDT, June 29, 2021**. Late **bids** will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE *BID* RESPONSE PAGE.”
