Subject: Dr. John Gallagher & County Manager Tom Stolz

Question or Comment:

As a citizen of Sedgwick Co, I am appalled by the current state of affairs within EMS and the commission. It makes me sick to my stomach to think that my (AND YOURS!) loved ones are at risk because of this disgusting abuse of power. The BLATANT lies and deceit that is taking place under the direction of Tom Stolz and John Gallagher can no longer be kept in the closet. I can assure you that the community trust in this county

government is trashed. There is no room to move forward with these "leaders". It is time to remove Dr. John Gallagher and County Manager Tom Stolz from their positions. They have no regard for human life and will continue to manipulate data and facts for their own personal gain. We will not stop demanding change!
