

# Sedgwick County Health Department

## AMBASSADOR PROGRAM

### What is an Ambassador?

Ambassadors are volunteers with a passion to engage their community about COVID-19.

As an Ambassador, you will build vaccine confidence and knowledge, and correct misinformation and widespread myths in your community

Ambassadors will interact in neighborhoods, community centers, and religious institutions where they live, work, and play.

To sign up email  
[SCHDAmbassador@sedgwick.gov!](mailto:SCHDAmbassador@sedgwick.gov)

### What are the Benefits?

Relevant training that includes:

- COVID-19 vaccine and testing information
- Myths and facts
- Conflict resolution skills
