Thank you and impact comments at Budget Hearing

**Comment:**

I would like to introduce my Board Chair, Margo McDonald, at the August 5th special meeting/budget hearing as she would like to provide remarks regarding the Extension Center's budget allocation and County partnership. I wasn't sure if we could just show up, or if I needed to fill one of these out to speak at the hearing. This is NOT intended for the Wednesday BoCC meeting. Thank you!

Covid guidelines in schools

**Comment:**

I would like to remind the Commissioners that the School Board Officials are elected officials as well. Local control should be given to those elected locally. The school boards have already made their decisions and it is not up to the County Commissioners to overrule duly elected officials. While they may not be paid they are elected BY THE PEOPLE of the community they serve. They are making decisions that have a direct impact on their neighbors and even their own children. The school boards have already made their decisions and it is NOT up to the County Commissioners to overrule duly elected officials.

EMS-Gallagher Dispute Eagle 7/22/21

**Comment:**

Inter commissioner bruhaha is not helpful and I'm not siding w/Pete or Jim. Stolz was correct to terminate Gallagher, but he himself should resign or be let go. He has No Excuses. Based on his comments he believes commissioners "work" for him. Wrong! I vote for you Mr. Dennis, you need to lead by terminating Tom Stolz. No Decent Management at County since Bill Buchanan left. This should never have gone this far. Thank you for reading, Chuck Glover-West Wichita
