## Overview

The Election Commissioner, who is appointed by the Kansas Secretary of State, oversees all voter registration and elections within Sedgwick County. Many Kansas statutes relate to the conduct of elections, but the primary statutes governing elections are found in Chapter 25 of the Kansas Statutes. Statutes specifically outlining the main duties and responsibilities of the Election Commissioner are in Kansas Statutes 19-3419 through 19-3439.

To make the election process flow as smoothly as possible and to accomplish the goals and the mission of the Election Commissioner, the Election Office receives valuable support from the County. This financial, logistical, personnel, and technical support is received from the Board of County Commissioners, the County Manager, and other County departments.

## Strategic Goals:

- *Continue the tradition of conducting successful elections in Sedgwick County*
- *Streamline office operations and conduct elections in an efficient manner*
- *Improve the voting experience for Sedgwick County voters*

## Highlights

- Hundreds of board workers assist in advance voting and Election Day voting, working long hours to ensure that all registered voters have the opportunity to cast their vote in an election

# Accomplishments and Strategic Results

## Accomplishments

The Election Office expanded early voting opportunities for Sedgwick County voters in 2020 by opening a “mega vote center” at INTRUST Bank Arena and an additional early vote center in Park City, Kansas for the 2020 General Election.

In 2020, the Election Office sent over 152,000 ballots by mail.

## Strategic Results

The Election Office experienced record voter turnout at the two elections which were conducted in 2020. More than 315,000 ballots were cast during in-person early voting, 131,337 ballots were cast by mail, and 109,095 ballots were cast at a polling place on Election Day.

## Significant Budget Adjustments

Significant adjustments to the Election Commissioner’s 2022 budget include an increase in personnel for the 2022 gubernatorial election (\$147,094) and a decrease in revenue (\$129,695) due to billing for special elections in 2021.

**• Election Operations**

This program is established to capture the direct costs associated with conducting annual elections. The largest expense is for Election Day board worker salaries and mileage. These employees are hired on a temporary basis prior to, during, and after the election. Also included is printing of ballots, payment to polling places, set up and delivery of voting machines, administrative costs, voter registration, and voter outreach. This program also captures the revenue generated by fees candidates pay to file for election and reimbursements received for special elections. These fees are not enough to cover the cost of elections and the majority of funding comes from the County's General Fund.

**• CARES HAVA**

On March 11, 2020, the World Health Organization declared the novel coronavirus, COVID-19, a pandemic. On March 27, 2020, the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The Act provided \$2 trillion in economic relief funding and allocated \$400 million in Help America Vote Act (HAVA) funds to states. This funding is intended to prevent, prepare for, and respond to COVID-19 for the 2020 Federal election cycle. The Kansas Secretary of State’s Office has authorized use of the funds as reimbursements to counties for COVID expenditures in preparation for the August and November election cycles. Only eligible expenditures as defined by the United States Election Assistance Commission may be reimbursed up to a specified amount per county. Each county’s reimbursable amount is pre-determined by the Secretary of State; Sedgwick County was authorized for reimbursement up to \$420,307.

**• CTCL Elections Grant**

The Center for Tech and Civic Life grant was awarded to assist the Election Office with meeting the demands of the 2020 General Election. Grant funds were used to increase the number of electronic voting machines in the Election Office fleet. A mega-site was also created to provide adequate social distancing for early voters, as well as an increase in the number of poll workers at polling locations. Promotional materials were translated into Vietnamese and Spanish to expand voter outreach.
