Engineer's Estimate: \$606,117.00	<b>Pbx Corporation</b>	PCi Roads LLC
Bridge Improvements (B504) 801-E-1300; Bridge on 151st Street West between 85th and 93rd Streets North	<b>\$464,938.65</b>	\$1,024,511.80
Bid Bond	Yes	Yes
Acknowledge Addendum	Yes	Yes
No Bids	L & M Contractors, Inc.	Unruh Excavating

On the recommendation of Lee Barrier, on behalf of Public Works, Anna Meyerhoff-Cole moved to accept the low bid from Pbx Corporation in the amount of \$464,938.65. Russell Leeds seconded the motion. The motion passed unanimously.

Sedgwick County CIP Project B504 consists of repair work to a bridge originally constructed in 1966, located on 151st Street West between 85th and 93rd Streets North. The bridge is structurally deficient with a sufficiency rating of 36.7 out of 100. This is only one (1) of two (2) bridges that provides a crossing over the Arkansas River in northwest Sedgwick County. This project will limit closure time and provide continued safe use of this route without the need to fully reconstruct the bridge.

**Questions and Answers**

Tim Myers: Has Pbx Corporation done work for us in the past?

Lynn Packer: Pbx Corporation I believe has done work for us but it has been probably twenty or so years since then. They are out of Oklahoma and typically do work in that area and southeast Kansas. They come up here when we are short on contractors or when work down there is limited.
