JIAC - Summary of Special Incident Reports - 2021
Number of Intakes in 2021: 1,260

| # | AGE AT INTAKE | Type of Incident | | | | | | | Type of Behavior | | | | | | | Staff Response | | | | | | | Notes | JIAC Staff Used Physical Restraint | JIAC Staff Used Mechanical Restraint | |
|----|---------------|------------------------------|-------------------------------------|-------------------|----------------------|--------------------------|------------|-------|--------------------|----------------------------|----------------------|-------------------|---------------------|-----------------|------------------|----------------|--------------|-----|-------------|-----------|----------------|--|-------|--|--------------------------------------|----|
| | | In Need of Medical Attention | Suspected to be under the influence | Suicidal Behavior | Angry/Out of Control | Danger to self or others | Contraband | Other | Passive Resistance | Not Following Instructions | Verbal Noncompliance | Verbal Aggression | Physical Resistance | Escape Attempts | Verbal Direction | Verbal Warning | Holding Room | MAB | Safe Clinch | Handcuffs | Leg Restraints | | | | | |
| 20 | 15 | | | | X | | | | | | | | | | | | | X | | | | | | <p>Youth client arrived in the lobby for an office visit. Youth began to cry hysterically when informed of violations/being detained. Youth was escorted to JDF booking area where youth jumped on top of the JIAC intake counter. JDF staff stopped youth from climbing over; JIAC staff did not participate in the restraint. JDF staff engaged youth in an over-under escort hold.</p> | YES (JDF) | NO |
| 21 | 10 | | | | | | | X | X | | | X | X | X | X | X | X | X | | | | | | <p>Incident 1: Due to prior escape attempts, JIAC staff contacted JDF MCB to ignore youth pushing door control buttons. MCB let youth out of the intake area into the sally port area where the youth began to kick the glass on the door. JIAC and JDF staff attempted to talk youth back into intake, but youth refused. JIAC staff place youth in an escort hold and walked him into a holding room and closed the door. Youth was released to his mother and a disturbance occurred in the lobby (see Incident 2).</p> | YES (JIAC) | NO |
| 22 | 10 | | | | X | X | | X | X | | X | X | | X | | | X | | | | | | | <p>Incident 2: Mother told staff she was taking youth to COMCARE Crisis after he was released, that she's in the process of trying to have him readmitted to psychiatric hospital. After release, in the lobby, youth became defiant and aggressive to mother and grandmother. Mother contacted 9-1-1 for transport assistance to COMCARE Crisis. Youth threw items around, hit lockers and walls with shoes, fists and feet. JIAC and HBS staff attempted to de-escalate youth. Youth obtained items from a trashcan and was yelling. Grandmother restrained youth against a wall in the entryway until police arrived. EMS was called. LEO de-escalated youth by engaging the youth with a video on a cellphone.</p> | NO | NO |
| 23 | 17 | X | | | | | | | | | | | | | | | | | | | | | | <p>Youth was admitted with a significant wound and had a medical release at intake. During the intake process, youth had profuse bleeding from his dressed wound. JDF staff stated they did not have medical staff on duty to tend to this type of injury; JDF on-call medical advisor who determined that youth's arm needed to be re-dressed back at the hospital prior to admission to JDF. LEO stated he would not be transporting the youth to hospital, but would release the youth to his mother. The youth was not detained and no conditional release could be conducted since youth was released to the LEO.</p> | NO | NO |
| 24 | 13 | | | | | | | | | | | | | X | | | | | | | | | | <p>Youth 1: During the wand search there was an audible alert. Youth took out two vaping pens and gave them to the arresting officer.</p> | NO | NO |
| 25 | 15 | | | | | | | | | | | | | | | | | | | | | | | <p>Youth 2: During the wand search there was an audible alert. A vape pen was found in the youth's waistband and given to the arresting officer.</p> | NO | NO |
| 26 | 16 | | | | | | | | | | | | | | | | | | | | | | | <p>During the inventory process, staff located a bag of "candy" called "Stoner Patch" with marijuana leaves in the design of the bag. LEO reported it did not have THC listed in the ingredients; however, LEO confiscated the item.</p> | NO | NO |
| 27 | 14 | | | | | | | X | X | | | X | | | X | X | X | | | | | | | <p>LEO requested assistance with a youth in the sally port; JIAC staff (4) went to the sally port. JIAC staff attempted to speak with youth, but youth did not respond. Staff placed youth in over/under escort hold and another staff helped carry youth to the intake area while LEO stood by and walked in with the group. Youth was escorted to a holding room and the door was closed. Once the officer left, youth was released from the holding room and was cooperative with the intake process.</p> | YES (JIAC) | NO |
| 28 | 13 | | | | | | | | | | | | | X | | | | | | | | | | <p>During pat search, a marijuana vaporizer and a full THC cartridge were found in youth's socks; items were given to LEO and charges were amended.</p> | NO | NO |
