

JIAC - Summary of Special Incident Reports - 2020
Number of Intakes in 2020: 1,274

#	AGE AT INTAKE	Type of Incident							Type of Behavior						Staff Response							Notes	JIAC Staff Used Physical Restraint	JIAC Staff Used Mechanical Restraint						
		In Need of Medical Attention	Suspected to be under the influence	Suicidal Behavior	Angry/Out of Control	Danger to self or others	Contraband	Other	Passive Resistance	Not Following Instructions	Verbal Noncompliance	Verbal Aggression	Physical Resistance	Escape Attempts	Verbal Direction	Verbal Warning	Holding Room	MAB	SafeClinch	Handcuffs	Leg Restraints									
1	14						X																			During the wand and pat searches, staff located a vaporizer cartridge when youth removed his extra pair of pants.	NO	NO		
2	12						X																				During search, youth took off socks and a ripped \$50 bill and a baggie fell out, which were given to LEOs. Substance tested + for meth. Youth was taken by LEOs to get a medical release.	NO	NO	
3	14				X	X									X	X	X						X				Deputy was preparing to leave and asked to switch out handcuffs (to get his handcuffs back). Youth made threatening statements and became physically combative. Deputy took youth to the floor and held youth there. JIAC staff assisted and removed youth's shoes. Deputy switched out handcuffs, removed youth's belt and drawstring bag. Deputy escorted youth to Holding Room 2 at 7:20 PM. JIAC staff removed youth from the Holding Room and handcuffs at 7:51 PM.	YES (JIAC / Deputy)	YES (JIAC / Deputy)	
4	16						X																				During property inventory a marijuana cigar was found in youth's backpack, which was given to LEO.	NO	NO	
5	15							X																			Youth's mother attempted to take a photo of youth's mug shot with her cell phone and of the youth in the youth waiting area.	NO	NO	
6	14						X																				Officer discovered a loaded handgun on youth's ankle during a secondary pat search conducted in the intake area.	NO	NO	
7	17						X																				During youth's property inventory, staff found a bag of marijuana in a jacket pocket, which was given to the LEO.	NO	NO	
8	13							X	X							X											Youth refused quarantine protocol. Youth voluntarily went into a Holding Room.	NO	NO	
9	15																X	X									(Youth 1 of 3) Assault: Minor-on-Minor. Four youth (under the same case number) were spaced out in the intake area to maintain social distancing. This youth was struck by another youth several times. JDF staff placed youth in a MAB hold and youth was placed in a Holding Room.	YES (JIAC / JDF)	NO	
10	14							X	X						X	X	X	X									(Youth 2 of 3) Assault: Minor-on-Minor. Four youth (under the same case number) were spaced out in the intake area to maintain social distancing. This youth hit another youth several times. JDF staff placed youth in a MAB hold and youth was placed in a Holding Room.	YES (JIAC / JDF)	NO	
11	17							X	X						X	X	X	X									(Youth 3 of 3) Assault: Minor-on-Minor. Four youth (under the same case number) were spaced out in the intake area to maintain social distancing. This youth hit another youth several times. JDF staff placed youth in a MAB hold and youth was placed in a Holding Room.	YES (JIAC / JDF)	NO	
12	13		X		X			X		X				X	X	X	X	X	X									Youth became escalated during intake, flipped chairs over and stated she would break the glass (sneeze guard). JIAC staff attempted to place youth in an over-under escort hold without success. Youth was kicking and screaming on the floor. JIAC staff pressed the call box on the sally port door to call for JDF staff assistance. JDF staff arrived and attempted to convince youth to go into the holding room; youth refused. JIAC and JDF staff then placed youth in an over-under escort hold and placed youth in the holding room without incident. Youth was provided a blanket, mat, pillow and youth and was released to mother when she arrived. Mother was informed of the restraint.	YES (JIAC / JDF)	NO
13	15												X														Youth pressed the button near the door to exit the intake lobby in an attempt to escape. Youth then calmed down and walked over to JDF without staff assistance.	NO	NO	
14	17							X		X					X	X	X	X	X	X	X	X	X				Youth arrived at JIAC in handcuffs and leg restraints. Youth refused to cooperate with intake procedures. JDF staff came to assist, restrained the youth and placed youth in Holding Room 1. Youth was in HR1 for approximately 15 minutes with handcuffs on. Staff asked youth if he was ready and he agreed. LEO removed handcuffs and JIAC staff searched him and released him from HR1.	YES (JIAC / JDF)	NO (LEO)	
15	13	X																									An insulin dependent youth, who had not eaten for a while, became tired during assessment and had difficulty keeping her eyes open. JDF staff brought a Glucose meter and disposable needle to JIAC and youth collected a sample. Results returned "High." Dispatch was contacted to request an officer transport for medical release; WPD officer advised he was already involved with another call so EMS would need to be contacted. JIAC requested EMS for transport to hospital. EMS arrived; youth became non-responsive prior to departure. Hospital called JIAC and was informed that youth remains in legal custody of WPD. Youth was transferred to ICU.	NO	NO	

JIAC - Summary of Special Incident Reports - 2020
Number of Intakes in 2020: 1,274

#	AGE AT INTAKE	Type of Incident							Type of Behavior							Staff Response							Notes	JIAC Staff Used Physical Restraint	JIAC Staff Used Mechanical Restraint	
		In Need of Medical Attention	Suspected to be under the influence	Suicidal Behavior	Angry/Out of Control	Danger to self or others	Contraband	Other	Passive Resistance	Not Following Instructions	Verbal	Noncompliance	Verbal Aggression	Physical Resistance	Escape Attempts	Verbal Direction	Verbal Warning	Holding Room	MAB	SafeCinch	Handcuffs	Leg Restraints				
16	15							X																<p>Youth was released to father; youth obtained a knife from the father's vehicle; youth / father were arguing in the parking lot. Staff called 9-1-1; Sheriff Dept. responded and resolved the situation.</p>	NO	NO
17	14											X												<p>(Youth 1 of 2) Two co-respondents became threatening to each other. JIAC staff placed the other youth in a rear clinch hold and separated the youth.</p>	NO	NO
18	17											X							X					<p>(Youth 2 of 2) Two co-respondents became threatening to each other. JIAC staff placed youth in a rear clinch hold and separated the youth.</p>	YES (JIAC)	NO
19	17								X									X						<p>Youth stated staff would be punched if pat/wand search was conducted. JIAC staff attempted to move youth to the body scanner without success. Staff limited restraint due to youth's pregnancy. JDF staff convinced youth to allow a wand search.</p>	YES (JIAC)	NO
20	15	X																						<p>LEO informed staff prior to intake that youth likely used marijuana but it was determined (prior to intake) that a medical release was not required. Youth refused to allow JDF medical staff to take his vitals. JIAC staff on 3rd shift were unable to rouse the youth. Dispatch was contacted for an officer to transport youth for a release; dispatch called EMS as well. Youth was medically cleared and returned for intake.</p>	NO	NO
21	15																							<p>Youth's father refused to pick youth up, so youth was to be detained on the 2-Tier Warrant. Since the Arrest Report stated youth had used meth, JDF informed JIAC that the youth would need a medical release. Youth was taken by WPD to obtain a medical release. Youth's property was inventoried and a cigar piece that smelled like marijuana was located along with vehicle registration papers with someone else's name (youth was in a stolen car). Youth returned from hospital and items were given to LEO.</p>	NO	NO
