16	16		X	X		X																			<p>Youth report meth use earlier in the day; the arrest report stated youth was suicidal; youth made suicidal statement at JIAC. LEO was informed youth would need medical clearance for the substance use and suicidal statements. LEO's partner stated, "Can't you just put her on suicide watch" and "We will be at the hospital for hours." Staff insisted youth be taken for clearance. LEO later returned with the youth, the intake was completed and the youth was detained. JDF notified that COMCARE Crisis was calling to follow-up on a mental health screening. Staff was under the impression youth had been cleared by the Hospital. Youth was to be brought to JIAC at 5AM for COMCARE Crisis to do an evaluation via webcam. Subsequently, Hospital staff reported youth was no longer suicidal, but they did not cancel the COMCARE Crisis screening to "cover the bases." LEO reported he thought all necessary screenings had taken place in Hospital. When contacted at 3:13PM COMCARE Crisis reported youth "is still on their list to be evaluated, but they have not gotten to it yet."</p>	NO	NO
17	12				X			X	X	X		X		X	X	X									<p>Youth became escalated when asked about the caregiver's name on the arrest report. Youth cursed, spit at and threatened staff, attempted to damage a printer, ripped papers off the walls, banged on doors, pushed the intercom buttons repeatedly, pushed items off of counters. Youth voluntarily went into a holding room and calmed down.</p>	NO	NO
18	12				X				X	X				X	X	X									<p>During the intake process, youth (in PPC) spit on the counters and floor and threw chairs in the intake area. Youth voluntarily went into a holding room. DCF decided youth should be released to mother. Youth went through periods of being cooperative and uncooperative. During release as staff were walking youth to the family lobby, JDF MCB let youth into the JDF intake area; staff were stuck in the hallway between the JDF intake area and the family lobby; youth placed herself in a holding room in that area and closed the door. Deputy spoke with youth and youth exited the facility with the Deputy and got into mother's vehicle and left.</p>	NO	NO
19	14						X																		<p>LEO reported that officers suspected youth had marijuana on his person, but did not find it while doing a pat search prior to his arrival. During the inventory process, LEO found a small paper pouch on the floor which he said contained marijuana. LEO thought youth most likely dropped it when youth removed money from sock.</p>	NO	NO
20	12				X				X	X		X		X	X										<p>JDF MCB came over the intercom asking youth to stop pressing the button. Youth pressed the button again; the door unlock and youth went into the hallway that leads to the sally port. An officer in the sally port escorted youth back into the intake area. Youth ran into staff, but then made way to a chair. Youth was mostly compliant with requests until being released.</p>	NO	NO
21	17				X	X		X	X	X				X	X	X					X				<p>Youth was screaming when brought into the facility, so Deputy switched out his handcuffs with a JIAC pair of handcuffs so he could leave. Deputy escorted youth to a holding room. Youth slipped off the handcuffs and threw them at the lower window. Deputy went into the room and took the cuffs from the youth. JIAC staff asked Deputy to leave youth in the room without restraints. Youth de-escalated; youth went to JDF when JDF staff were ready. JDF mental health staff talk with youth briefly.</p>	NO	YES (JIAC / LEO)
22	16						X																		<p>During the search process at JDF, JDF staff found a small knotted baggie inside one of the youth's socks. LEO arrived and confirmed the multi-colored crushed pieces were MDMA (ecstasy) after testing the contraband with a presumptive drug test kit.</p>	NO	NO
