On the recommendation of Tammy Culley, on behalf of Fleet Management, Anna Meyerhoff-Cole moved to **accept the overall low bid from Fleet Fuels, LLC at the rates listed above and establish contract pricing for one (1) year with four (4) one (1) year options to renew.** Jeff Bush seconded the motion. The motion passed unanimously.

Contracted fuel price is based on the low Oil Price Information Service (OPIS) price market index from the preceding week for purchases incurred the following week plus the vendor fees. OPIS price will fluctuate on a weekly basis but the fees do not fluctuate.

Notes:

The spend for 2021 was \$1,570.532.55.
