	Vance Brothers	Wildcat Construction	

On the recommendation of Lee Barrier, on behalf of Public Works, Tim Myers moved to **accept the low bid from Conspec, Inc. dba Kansas Paving in the amount of \$5,693,597.61.** Brandi Baily seconded the motion. The motion passed unanimously.

Sedgwick County Project 2022 Nova Chip (R175-B) will result in a thin asphalt overlay of 5/8" on approximately 68 miles of roadway in Sedgwick County. A spray paver places both the asphalt and an emulsion membrane in a single pass sealing small cracks and ensuring adhesion to the underlying pavement. Nova Chip is a durable friction resistant surface that is effective on high speed roadways with minor to moderate cracking and can correct minor surface irregularities.

Kansas Paving is well known to Public Works and regularly competes for our highway work. They have completed several projects in the past.
