ADDENDUM #2
RFP #22-0019
COMPREHENSIVE TRANSIT OPERATIONS AND TECHNOLOGY FEASIBILITY STUDY

April 21, 2022

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for *Comprehensive Transit Operations and Technology Feasibility Study* for the Department on Aging.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1. What is the service area in question?

Answer: The service area is Sedgwick County, primarily outside the city of Wichita. Sedgwick County Transit (SCT) provides transit services for riders coming from outside Wichita to inside Wichita and vice versa. We have very limited service for riders with both their origination and destination inside the Wichita city limits.

2. Are you only concerned with the SCT services or is the intention to also consider Wichita Transit Services?

Answer: This Feasibility Study is for Sedgwick County Transit (SCT) services only. Wichita Transit Services are NOT to be considered.

Firms interested in submitting a *proposal* must respond with complete information and **deliver on or before 1:45 p.m. CDT, May 3, 2022**. Late *proposals* will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE *PROPOSAL* RESPONSE PAGE.”
