****EXCHANGE SIZES:**

Please note that due to availability concerns we have added larger container sizes than what is typically WIC approved. If you are purchasing a larger container size, you will notice that your WIC benefits will appear to remove more formula than may be expected. This is due to the container size. You will still receive a similar quantity of formula.

Example:

1. A participant has 7 cans of Similac Advance (12.4 oz cans) on their benefit balance.
2. They purchase 2 cans of the Parent's Choice Advantage (23.2 oz cans).
3. How many cans of Similac Advance will be remaining after the substitute formula has been purchased? 4 CANS
