**\*\*EXCHANGE SIZES:**

Please note that due to availability concerns we have added larger container sizes than what is typically WIC approved. If you are purchasing a larger container size, you will notice that your WIC benefits will appear to remove more formula than may be expected. This is due to the container size. You will still receive a similar quantity of formula.

**\*\*TAMANOS DE INTERCAMBIO:**

Tenga en cuenta que, debido a problemas de disponibilidad, hemos agregado tamaños de contenedores más grandes que los que normalmente están aprobados por WIC. Si está comprando un tamaño de envase más grande, notará que sus beneficios de WIC parecerán eliminar más fórmula de lo esperado. Esto se debe al tamaño del contenedor. Usted seguirá recibiendo una cantidad similar de fórmula.

Example:

1. A participant has 7 cans of Similac Advance (12.4 oz cans) on their benefit balance.
2. They purchase 2 cans of the Parent's Choice Advantage (23.2 oz cans).
3. How many cans of Similac Advance will be remaining after the substitute formula has been purchased? 4 CANS

Formula Issued (on eWIC card)	Formula Balance (on eWIC card)	Substitute Formula Purchased	# Cans Purchased	Exchange Size for Substitute Formula	Total # Cans Taken Off eWIC Card Balance	Remaining Similac Advance Balance
Similac Advance 12.4 oz cans	7 cans	Parent's Choice Advantage 23.2 oz cans	2	1.5	3	4

Ejemplo:

1. Un participante tiene 7 latas de Similac Advance (latas de 12,4 onzas) en su saldo de beneficios.
2. Compran 2 latas de Parent's Choice Advantage (latas de 23.2 oz).
3. ¿Cuántas latas de Similac Advance quedarán después de comprar la fórmula alternativa? 4 LATAS
