Lt. Todd Hallacy D1072

ATTENTION: Captain Smith D1338 (Through Channels)

SUBJECT: PREA Committee Review for March

On April 26, 2022, the PREA Committee conducted a review of PREA complaints.

The review consisted of 0 substantiated cases.

The review consisted of 2 unfounded cases.

This review consisted of 12 unsubstantiated cases.

In reviewing each of the cases, the committee determined policy was followed; nothing occurred that could have prevented the incidents from happening. There were no signs to make an indication, in either circumstance, a sexual abuse would occur.

In each case review, the committee potentially found no indication either incident was motivated by race, ethnicity, gender identity, lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status.

The committee also determined there was no indication of gang affiliation, nor was any of the incidents motivated by or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incidents occurred. The physical barriers in the place had no effect on the abuse, the staffing level was adequate.

I have nothing else to report at this time.
