## **I. About this Document**

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the county. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

## **II. Background**

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 514,000 persons. It is the sixteenth largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas' counties. Organizationally, the county is a Commission/Manager entity, employs nearly 2,500 persons, and hosts or provides a full range of municipal services, e.g. – public safety, public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

The target population for the contractual transit services for this program are citizens residing in Sedgwick County. Funding is used to meet customer demand in the Sedgwick County Transportation (SCT) service area during high demand times, when SCT direct services are at capacity or otherwise unavailable.

#### V. Scope of Work

Contractor shall provide origin to destination transportation services to Sedgwick County Transportation (SCT) passengers. SCT is seeking multiple providers to contract with that currently do or can in the future meet the following requirements.

- A. All rides must have prior authorization by SCT. Rides scheduled with the Contractor that do not receive prior authorization are subject to denial of payment.
- B. SCT customers shall be given priority service.
- C. SCT may adjust trip assignments based on passenger's needs, Contractor availability, or other unforeseen factors.
- D. Contractor shall ensure that:
  - Passengers with set pick up times (excludes will calls) are to be picked up no later than 15 minutes after requested pick up time. If this is not possible, Contractor must notify SCT immediately. This allows SCT to seek other means for the transport if necessary and/or contact the rider to make adjusted arrangements or cancel the trip.
- E. Contractor should have capacity to transport riders that have a Personal Care Attendant (PCA) and/or guest(s) up to three (3) along with the assigned passenger, no more than four total. Route manifest will reflect PCA or guests in the Trip Comments box; a +1, +2 or +3. Should a passenger have a PCA or guest(s) with them and was not identified on the manifest with a +1, etc., Contractor is to contact SCT immediately to inform SCT of the additional rider(s) and whether they may proceed with the transport of the additional person(s) should vehicle capacity be available.
- F. Contractor shall comply with all policies and procedures set forth by SCT, and train staff on the SCT Driver Assistance Guidelines and passengers Rules of Conduct. SCT passengers are not to be provided hands on or lifting assistance of a passenger, but may lend an arm for steadiness to and from the vehicle; assistance with manual wheeled mobility device to and from the vehicle, but not beyond the threshold of any structure or facility. Bags and/or packages are not to be carried beyond the threshold of a structure or facility.
- G. Contractor shall provide most recent dates of a Kansas Bureau of Investigation (KBI) criminal background check performed on each current contracted or direct employed driver(s).
- H. Contractor shall provide Kansas Department of Motor Vehicle driving record check on each driver from within the last three (3) years.

- I. The Federal Transit Administration (FTA) requires by law that in order to receive FTA Section 5311 or 5310 reimbursement for transportation; the Contractor must have a valid drug and alcohol testing program with a recognized drug and alcohol agency, such as Compliance One. All safety-sensitive employees per FTA regulations are required to be in a FTA drug and alcohol testing pool and tests must be performed according to Federal Transit Administration drug and alcohol guidelines. For a new driver or drivers that have not been in an FTA Drug and Alcohol pool, a pre-employment drug screening is required. Noncompliance with participation in a drug and alcohol testing pool will result in nonpayment of 5311 or 5310 funded transportation services.
  - J. Contractor must provide proof of driver's current United States Department of Transportation (DOT) medical physical card if a driver holds a CDL.
  - K. A new Contractor shall attend a one-time Contractor training session on customer service, passenger assistance, and billing procedures provided by SCT Manager.
  - L. Contractor shall provide Certificate of Insurance to SCT as proof of insurance coverage at levels described herein and shall place Sedgwick County as additional insured including for ongoing and completed operations with respect to General Liability, Auto Liability and/or Umbrella Liability.
  - M. Contractor shall perform preventive maintenance on all vehicles per OEM and have an annual vehicle inspection by an ASE certified (or equivalent) mechanic, Kansas Department of Transportation (KDOT) inspector, or City of Wichita inspector on each of Contractor's vehicles. If inspected by an ASE certified (or equivalent) mechanic, SCT's Annual Vehicle Mechanical & Safety Inspection Report, shall be completed and submitted; if inspected by a KDOT inspector or City of Wichita inspector, KDOT's or City of Wichita's completed form(s) shall be copied and submitted in place of SCT vehicle inspection form.
- Contractor shall label vehicle(s) identifying Contractor's name and phone number on exterior of vehicle with lettering and numbers at least 4" high. May be in form of magnet signs, vehicle wraps or decals.

- County reserves the right to make inspections at various points of the project. Contractor agrees to openly participate in said inspections and provide information to the county on the progress, expected completion date and any unforeseen or unexpected complications in the project.

**VII. Proposal Terms**

A. Questions and Contact Information

Any questions regarding this document must be submitted in writing to Britt Rosencutter at [britt.rosencutter@sedgwick.gov](mailto:britt.rosencutter@sedgwick.gov) by 5:00 pm CDT, Monday, June 27, 2022. Any questions of a substantive nature will be answered in written form as an addendum and posted on the purchasing website at <https://www.sedgwickcounty.org/finance/purchasing/requests-for-bid-and-proposal/> under the Documents column associated with this RFP number by 5:00 pm CDT, Friday, July 1, 2022. Firms are responsible for checking the website and acknowledging any addenda on their proposal response form.

**B. Minimum Firm Qualifications**

This section lists the criteria to be considered in evaluating the ability of firms interested in providing the service(s) and/or product(s) specified in this Request for Proposal. Firms must meet or exceed these qualifications to be considered for award. Any exceptions to the requirements listed should be clearly detailed in proposer’s response. Proposers shall:

1. Have a minimum of three (3) years’ experience in providing services similar to those specified in this RFP.
2. Have an understanding of industry standards and best practices.
3. Have experience in managing projects of comparable size and complexity to that being proposed.
4. Have knowledge of and comply with all currently applicable, and as they become enacted during the contract term, federal, state and local laws, statutes, ordinances, rules and regulations. All laws of the State of Kansas, whether substantive or procedural, shall apply to the contract, and all statutory, charter, and ordinance provisions that are applicable to public contracts in the county shall be followed with respect to the contract.
5. Municipal and county government experience is desired, however, the county will make the final determination based on responses received and the evaluation process.
6. Have the capacity to acquire all bonds, escrows or insurances as outlined in the terms of this RFP.
7. Provide project supervision (as required) and quality control procedures.
8. Have appropriate material, equipment and labor to perform specified services.
9. Park only in designated areas and display parking permit (if provided).
10. Wear company uniform or ID badge for identification purposes.

**C. Evaluation Criteria**

The selection process will be based on the responses to this RFP. County staff will judge each response as determined by the scoring criteria below. Purchasing staff are not a part of the evaluation committee.

Component	Points
A. Capability to serve non-ambulatory riders.	20
B. Experience providing similar services for other entities.	20
C. Fleet inspection: Unit Condition Ratings of “Average” or better within most recent past 12 months.	20
D. Service Availability (area and hours of operation)	20
E. References	20
Total Points	100

Assume the following cost proposals (**examples only**)

- A. \$50,000.00
- B. \$38,000.00
- C. \$49,000.00

Company B with a total price of \$38,000.00 is the low offer. Take the low offer and divide each of the other offers into the low offer to calculate a percentage. This percentage is then multiplied by the number of points available for the cost. In this case, 10 points are allocated to cost.

- |   |         |            |
|---|---------|------------|
| A. \$38,000.00 divided by \$50,000.00 =.76  | .76*10  | 7.6 points |
| B. \$38,000.00 divided by \$38,000.00 =1.00 | 1.00*10 | 10 points  |
| C. \$38,000.00 divided by \$49,000.00= .77  | .77*10  | 7.7 points |

Any final negotiations for services, terms and conditions will be based, in part, on the firm’s method of providing the service and the fee schedule achieved through discussions and agreement with the county’s review committee. The county is under no obligation to accept the lowest priced proposal and reserves the right to further negotiate services and costs that are proposed. The county also reserves the sole right to recommend for award the proposal and plan that it deems to be in its best interest.

The county reserves the right to reject all proposals. All proposals, including supporting documentation shall become the property of Sedgwick County. All costs incurred in the preparation of this proposal shall be the responsibility of the firm making the proposals. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service which best meets its required needs, quality levels and budget constraints.
