I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the county. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

II. Background

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 514,000 persons. It is the sixteenth largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas' counties. Organizationally, the county is a Commission/Manager entity, employs nearly 2,500 persons, and hosts or provides a full range of municipal services, e.g. – public safety, public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

The Hospital Guard Duty has historically been managed and staffed by Sedgwick County Commissioned Deputies and Sedgwick County Detention Deputies. Supervisors with the Sheriff's Office schedule the staffing. When an inmate in custody is transported to the hospital for a medical necessity, a Deputy must guard the inmate at all times. Inmates may be transported to the hospital for a medical necessity at any time of the day, and any day of the week.

Sheriff's Office supervision has kept a schedule prepared for staff hospital guard duty assignments. There may be anywhere from zero (0) to five (5) inmates at the hospital on any given day over the course of the year. Typically, there are zero (0) to two (2) inmates at the hospital. The average stay is 6.71 days per inmate from January 2021—May 31st 2022.

January 1st 2021---January 1st 2022 Admitted to the hospital

- Number of inmates admitted to the hospital - 50
- Total of 277 days admitted for all 50 inmates
- Total employee guard duty hours worked 6,648

January 1st 2022—May 31st 2022 Admitted so far this year

- Number of Inmates admitted to the hospital - 34
- Total 188 days admitted for all 34 inmates
- Total employee guard duty hours worked 4,512

III. Project Objectives

Sedgwick County, Kansas (hereinafter referred to as “county”) is seeking a firm or firms to provide scheduling and payment management for hospital guard duty. The following objectives have been identified for this contract:

1. Acquire scheduling and payment management for hospital guard duty meeting the parameters, conditions and mandatory requirements presented in the document.
2. Establish contract pricing with the vendor that has the best proven “track-record” in performance, service and customer satisfaction.
3. Acquire most efficient scheduling and payment management for hospital guard duty for Sedgwick County employees and employees from other law enforcement agencies within Sedgwick County, Kansas.
4. Obtain scheduling and payment management for hospital guard duty with the most advantageous overall cost to the county.

IV. Submittals

Carefully review this Request for Proposal. It provides specific technical information necessary to aid participating firms in formulating a thorough response. Should you elect to participate, submit via email to purchasing@sedgwick.gov.

SUBMITTALS are due **NO LATER THAN 1:45 pm CDT, TUESDAY, July 26, 2022**. Late or incomplete responses will not be accepted and will not receive consideration for final award. Vendor is responsible for verifying that their proposal has been received by Sedgwick County Purchasing Department.

Proposal responses will be acknowledged and read into record at Bid Opening, which will occur at 2:00 pm CDT on the due date. No information other than the respondent’s name will be disclosed at Bid Opening. If you would like to listen in as these are read into the record, please dial our Meet Me line @ (316) 660-7271 at 2:00 pm.

V. Scope of Work

The county desires to select a qualified firm to provide scheduling and payment management for the hospital guard duty assignments to preselected qualified law enforcement personnel. The Sedgwick County Sheriff’s Office will supply the vendor with a list of qualified law enforcement personnel.

When a hospital duty assignment becomes available (24 hours a day, seven (7) days a week) a Sheriff’s Office supervisor will notify the vendor. The vendor will identify a law enforcement officer from the list of qualified personnel, and schedule the work. The work shifts will be a minimum of four (4) hours in length, and a maximum of eight (8) hours in length. The on duty Sheriff’s Deputy will transport the inmate to the hospital and the guard duty scheduling will continue until the inmate is released from the hospital. The on duty Sheriff’s Office Deputy will then transport the inmate back to the jail.

The vendor will then make payment to the individual that completed the hospital duty assignment with funds supplied by Sedgwick County, with the exception of Sedgwick County employees who will receive payment through the county’s standard payroll.

VI. Sedgwick County’s Responsibilities

- Provide information, as legally allowed, in possession of the county, which relates to the county’s requirements or which is relevant to this project.
- Designate a person to act as the County Contract Manager with respect to the work to be performed under this contract.

C. Evaluation Criteria

The selection process will be based on the responses to this RFP. County staff will judge each response as determined by the scoring criteria below. Purchasing staff are not a part of the evaluation committee.

Component	Points
a. Provide 24 hour 365 day a year scheduling and payment management for hospital guard duty provided to the firm by the Sheriff’s Office.	25
b. Utilize a list of individuals who can complete the work assignments that have been vetted by the Sheriff’s Office.	20
c. Vendor ability to adhere to the response time stated in the Scope of Work.	15
d. Provide references verifying exemplary services levels for similar work.	25
e. Cost	15
Total Points	100

Assume the following cost proposals (**examples only**)

- A. \$50,000.00
- B. \$38,000.00
- C. \$49,000.00

Company B with a total price of \$38,000.00 is the low offer. Take the low offer and divide each of the other offers into the low offer to calculate a percentage. This percentage is then multiplied by the number of points available for the cost. In this case, 10 points are allocated to cost.

- A. \$38,000.00 divided by \$50,000.00 =.76 .76*10 7.6 points
- B. \$38,000.00 divided by \$38,000.00 =1.00 1.00*10 10 points
- C. \$38,000.00 divided by \$49,000.00= .77 .77*10 7.7 points

Any final negotiations for services, terms and conditions will be based, in part, on the firm’s method of providing the service and the fee schedule achieved through discussions and agreement with the county’s review committee. The county is under no obligation to accept the lowest priced proposal and reserves the right to further negotiate services and costs that are proposed. The county also reserves the sole right to recommend for award the proposal and plan that it deems to be in its best interest.

The county reserves the right to reject all proposals. All proposals, including supporting documentation shall become the property of Sedgwick County. All costs incurred in the preparation of this proposal shall be the responsibility of the firm making the proposals. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service which best meets its required needs, quality levels and budget constraints.
