

Sedgwick County Department on Aging intends to fund various Aging and Physical Disability programs/services for fiscal year 2023 (January 1, 2023 – December 31, 2023). Programs currently funded include in-home and community services that enhance independence and ability to remain in the community. To request an application or for more information, call Stacy Nilles at (316) 660-5230 or email Stacy.Nilles@sedgwick.gov.

To be considered for funding, your request should be focused on services/programs that address the strategic focus areas outlined in the Department on Aging's 2019-2023 Strategic Plan. These include Comprehensive Coordinated System of Care, Housing, Transportation, Transforming the Perception of Aging and Wellness, and Chronic Illness and the Intersection of Mental Health and Aging.
