Northeast Senior Center

**Comment:**

My name is Pamela Smith, residing in Wichita Kansas. I would like to voice my concerns about the Northeast Senior Center as a senior worker of the center as well a member. I was very upset hearing about money not being fully used because of needs. I would like to invite all of the commissioners to come over and tour our center. We have:

Carpets need cleaned

Concrete floors that need sealed

Tiles coming up and seniors tripping over

Sinks in the kitchen leaking on the floor (so far worker has slipped twice, fortunately he wasn't hurt)

If you don't want to look down look up:

Ceiling tiles falling, so embarrassing when card players come out to the desk and say "the ceiling just fell" or

Speaking of embarrassing people taking forms on clipboards outside to read cause of the lighting.

And that doesn't even cover the outside safety. So please come see us, help us get the center back to being a positive, safe environment for the neighborhood and our seniors.

Thank you
