

DEPUTY REPORT

January 22, 2021

Lt. Darren Ramsey D1834

ATTENTION: Captain Scott (Through Channels)

SUBJECT: PREA Committee Review

On January 22, 2021, the PREA Committee conducted a review of 4 unsubstantiated cases. The unsubstantiated cases were: 20S005340, 20S004746, 20S003478, 19S006896. There was one substantiated case under case number 20S000456

In reviewing each of the unsubstantiated cases, the committee determined policy was followed; nothing occurred to prevent the incidents from happening. There were no signs to make an indication in either circumstance a sexual abuse would occur.

In each case review, the committee did not find any indication either incident was motivated by race, ethnicity, gender identity, lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status. The committee also determined there was no indication of gang affiliation, nor was any of the incidents motivated by or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incidents occurred. The physical barriers in the place had no effect on the abuse. The staffing level was adequate, and there is no need for extra cameras.

There was only one suggestion brought up about case 20S003478. In this case an inmate was accused of masturbating on his bunk in a dorm. The only question that was brought up was about the facility policy on masturbation in an inmate's personal living quarters. No one knew if there was a policy on it. Lt. Ramsey said that if we were to write one, it would probably have to be a policy where it isn't allowed due to the fact that we don't allow inmates to partake in condoned sexual acts with each other.

I have nothing else to report at this time.
