## Overview

Sedgwick County Fire District 1 (SCFD 1) is an all-hazards organization that provides fire protection, emergency medical services, technical rescue, hazardous materials, community risk reduction, and other emergency responses.

SCFD 1 is comprised of nine fire stations staffed twenty-four seven, and year-round by career firefighters who are credentialed as Emergency Medical Technicians (EMTs), Advanced Emergency Medical Technicians (AEMT), or Paramedics. SCFD 1 includes a response area of 618 square miles and approximately 70,550 residents.

## Strategic Goals:

- Identify opportunities for consolidation
- Establish proactive processes to inform policy and legislation changes
- Develop a recruitment plan to enhance the number and quality of employee candidates
- Advocate for dedicated resources to meet population demographic demands
- Develop cross-cultural competencies to facilitate appropriate communication
- Increase support for first responders' physical and mental health

## Highlights

- Continued to successfully navigate the coronavirus disease (COVID-19) pandemic
- Continued to improve cooperative efforts with the Wichita Fire Department (WFD), Derby, and regional partners in training, rehabilitation, and firefighting strategies
- Replaced FireHouse records management system
- Installed specialized gear cleaning equipment at Fire Station 38, which removes carcinogens
- Replaced a total of five vehicles for staff and fire response

# Accomplishments and Strategic Results

## Accomplishments

SCFD 1 averaged the following times in response to different emergency/service calls:

- five minute, 45 second response time to medical emergencies
- five minute, 59 second response time to structure fires
- six minute, 11 second response time to all other service calls

## Strategic Results

SCFD 1 has coordinated consolidation efforts and facilitated functional consolidation strategies in training, firefighting, and rehabilitation programs. SCFD 1 has a goal to maintain a 2.5:1 ratio of automatic aid given to automatic aid received with the Wichita Fire Department. That goal was maintained in 2021.

SCFD 1 filled two recruit academies, with a total of ten qualified probationary employees. SCFD 1 has a goal to increase the qualified applicant pool to get to a 4:1 ratio, with four qualified applicants per one open position. Currently, SCFD 1 is at a 3:1 ratio.

Several work group committees were created to increase the number of employees who have a voice in the organization. All ranks are included on several boards to ensure each rank is represented.

SCFD 1 reduced exposure to carcinogens in non-emergency environments by installing specialized gear cleaners to remove carcinogens from structural firefighting gear. SCFD 1's goal is to have one cleaner at eight of the nine stations by the end of 2022. As of mid-2022, seven gear cleaners have been installed.

## Significant Budget Adjustments

Significant adjustments to the Fire District 1 2023 budget include a \$2,000,000 increase in contractuals for debt payoff, a \$268,614 increase in personnel due to additional cost for implementation of a new step plan, a \$127,748 increase in debt service due to vehicle equipment interest and fiscal charges, a decrease in capital equipment due to the vehicle replacement plan (\$75,000), a \$29,349 increase in contractuals due to ongoing maintenance costs for the Public Safety Records software, and a \$4,935 increase in commodities for iPad replacements.

### • Fire District Administration

Fire Administration provides oversight for all Fire District services and programs. Staff is also responsible for conducting program reviews, steering organizational development and direction, and monitoring performance. The administrative offices of Sedgwick County Fire District 1 (SCFD 1) are located adjacent to Station 32.

### • Fire Shared Maintenance

In 2002, an agreement with the City of Wichita Fire Department (WFD) to share fire vehicle maintenance operations ended and all work on SCFD 1 vehicles moved to Sedgwick County Fleet Management. Staff costs, some supplies, and repair parts remain in SCFD 1's budget within Maintenance.

**• Fire Training**

The Fire Training program is responsible for recruit training and continuing education for all employees in both fire and medical disciplines, while adhering to safety protocols and procedures. Most of the fire training activities take place at Station 32, Station 37, and at the Regional Training Center (RTC).

**• Fire Station 31**

Fire Station 31, located at 6331 North 247th Street West in Andale, provides fire suppression and medical response services to both urban and rural areas in northwestern Sedgwick County, including the City of Andale. Station 31 houses Engine 31 and Brush 31, and is staffed by a Lieutenant and two Firefighters.

**• Fire Station 32**

Located at 7750 Wild West Drive, Station 32 provides fire suppression and medical response services to the City of Park City and north-central and northeast Sedgwick County. The station houses the Battalion 32, a Captain, Lieutenant, and three Firefighters who can respond on five different apparatus. Employees at this station are trained to respond to incidents involving technical rescue. SCFD 1 is a member of Kansas Task Force 5. Technical rescue includes situations involving high angles, confined space, swift water, scuba, and building collapse emergencies. Special rescue equipment utilized at Station 32 includes two boats and a building collapse trailer. Station 32 is also home to the Fire District Administration. Only those resources devoted to fire suppression, medical response, and technical rescue are included as part of the Fire Station 32 fund center.

### • Fire COVID-19 Response 2020

On March 11, 2020, the World Health Organization declared the novel coronavirus, COVID-19, a pandemic. In a response to growing public health concerns related to COVID-19, Sedgwick County declared a state of local disaster emergency on March 16, 2020. Efforts to control the spread of the virus were implemented at both the local and State level, including limits on gatherings, stay-at-home orders that shuttered non-essential businesses, the shift of K-12 and secondary institutions to remote learning, and others. Like other governments, Sedgwick County initiated intense efforts to secure personal protective equipment, cleaning supplies, COVID-19 testing supplies, and other necessary materials. For tracking purposes, Fire District expenses associated with COVID-19 were paid from this fund center.

**• Fire Research and Development**

The Research and Development fund center accounts for donations from the public to purchase special equipment, explore new technologies in the fire service industry, and attend trainings.
