Mailing of Value Notices

The Sedgwick County Appraiser's Office will only mail value notices to property owners that experience a change in the appraised value or classification from 2022.

Approximately 181,800 real property value notices will be mailed for 2023, which is about 79% of all properties in Sedgwick County.

Accessing Value Notices if Your Value or Classification Did Not Change

Property owners who do not receive a notice in the mail may view the appraisal information for their property beginning March 1 online at www.sedgwickcounty.org, which will include instructions on how to file an appeal.

Appeals Process

If property owners do not think their values reflect market value, or would like an explanation of how the value was determined, they can fill out the back of the value notice and return it to the Sedgwick County Appraiser's Office within 30 days of the date indicated on the front of the notice.

Appeal meetings begin March 16, 2023 and will be conducted via telephone.

Uniform and Equal

Please remember that the County Appraiser is required by law to value property in a uniform and equal manner and should not be considered an adversary. Increases or decreases in property values do not change the amount of tax dollars needed for local services.

Appraised Value x Assessment Rate = Assessed Value

Budget Needed / Assessed Value = Mill Levy

Assessed Value x Mill Levy = Taxes

Personal Property (PP)

- PP represents about 3.5% of Total Assessed Value.
- PP Renditions are due back March 15th to avoid Penalty!
- PP Valuation Notices will be mailed April 29th.
- Deadline to file appeal is May 16th.
