Cancelling Inspections

If an inspection needs to be cancelled, it must be cancelled by phone through the dispatcher or directly with the inspector.

Cancellations cannot be processed through the MABCD portal because the information does not transfer to the assigned inspector, and so the inspector then makes an unnecessary trip.

All cancellations must be cancelled by phone to the dispatcher or directly to the inspector prior to the scheduled time of the inspection or a reinspection fee may be assessed.

The Next Board of Building Code Standards and Appeals meeting will be held on Monday May 1, 2023.
