Overview

Sedgwick County offers economic assistance for various area agencies that provide significant contributions to the community. Agencies funded by Community Programs submit budget proposals outlining funding needs and justification for local government assistance.

Sedgwick County provides funding to the Wichita Transit Authority (WTA) for Oaklawn/Sunview services. The WTA provides access for more than 3,000 residents to employment and education opportunities, as well as various other destinations at an affordable cost.

Strategic Goals:

- Continue to extend Wichita Transit Services to the Oaklawn neighborhood

Highlights

- WTA provided 839 bus rides in 2022 in the Oaklawn/Sunview community, located in the unincorporated area of the county

Accomplishments and Strategic Results

Accomplishments

Sedgwick County supports the WTA – Oaklawn project and the Mediation Center. Each of these programs provide assistance to citizens in a way that produces ancillary benefits to County operations. The Mediation Center provides a dispute resolution option that does not impact the court system, leaving those resources available for more complex issues. Traditional public transportation options would not exist in the Oaklawn area of Sedgwick County without this special arrangement with the City of Wichita.

The grand total of trips for the year was 839, which is an average of 70 one-way rides per month. This is an increase from the previous year and demonstrated strong passenger usage as restrictions were lifted from the coronavirus disease (COVID-19) pandemic.

Strategic Results

Community Programs continues to recognize the important role that specialty organizations play in providing services that enhance the quality of life for members of the community and help attract families to the area.

The WTA provided 839 rides in 2022 to citizens from the Oaklawn area in Sedgwick County.
