

DEPUTY REPORT

APRIL 16, 2025

Lt. Todd Hallacy D1072

ATTENTION: Captain Smith D1338

SUBJECT: PREA Committee Review for March

On April 16, 2025, the PREA Review Committee met and the following were **PRESENT:**

Capt. Paula Smith (Behavior Management Team), **Meghan Day** (Director of Nursing), **Logan Reich** (Behavior Health Coordinator), **Lt. Clayton Barth** (Behavior Management Team), **Andrea Rogers** (Advanced Psychiatric Registered Nurse), and **Lt. Todd Hallacy** (PREA Coordinator).

The PREA Committee conducted a review of 15 PREA complaints. This review consisted of:

2 Substantiated cases.

7 Unfounded cases.

5 Unsubstantiated cases.

1 Incident(s) not arising to PREA Standards.

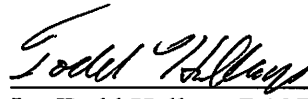

The review considered the following aspects in each case:

In reviewing each of the cases, the committee determined policy was followed; nothing occurred that could have prevented the incidents from happening. There were no signs to make an indication, in either circumstance, sexual abuse would occur.

In each case review, the committee potentially found no indication either incident was motivated by race, ethnicity, gender identity, lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status.

The committee also determined there was no indication of gang affiliation, nor was any of the incidents motivated by or otherwise caused by other group dynamics within the facility.

The committee also determined the area in which the incidents occurred. The physical barriers in the place had no effect on the abuse and the staffing level was adequate.
