### ADDENDUM #1 RFB #25-0033 PEST CONTROL SERVICES

April 18, 2025

The following is to ensure that vendors have complete information prior to submitting a **bid**. Here are some clarifications regarding the bid for Pest Control Services for various departments.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

**1. Could you provide the square footage of the areas requiring pest control services?**

*We do not have specific square footage for all areas and office spaces that require treatment.*

**2. Some locations appear to have multiple buildings on property. If so, do all structures need services?**

*Pest control services are required for all facilities and areas listed on the pricing sheet.*

**3. Would it be possible to inspect any of the buildings prior to submitting our bid? If so, what is the process for arranging a site visit or who should we contact to coordinate this?**

*Due to the number of facilities and the size of the facilities a site tour is not being offered at this time.*

Firms interested in submitting a **bid**, must respond with complete information and **deliver on or before 1:45 pm CDT, April 29, 2025**. Late **bids** will not be accepted and will not receive consideration for final award.
