Sedgwick County Project "Construction Plans; Four Oaks Street" consists of one-third mile of street paving and related drainage construction to serve eight (8) existing residential lots in the Four Oaks Addition on the west side of 127th St East and south of 37th St North.

This is a special assessment project. The owners of these lots will be assessed the costs of these improvements over a 15 year period through a special tax.

Pearson Construction, LLC is a known contractor to Public Works and has successfully worked on past county projects.

Questions and Answers

Greg Gann: Is this to replace dirt roads or improve on the existing pavement?

Lynn Packer: Yes, that's exactly right. The existing cul-de-sac is a gravel road and they have petitioned the county to pave that. As it was noted, they will repay that amount equally per lot over the next 15 years through a special assessment tax.
