The recommendation of Fleet Management and Public Works is to **accept the low bid from Midway Motors Super Center in the amount of \$46,238.00.**

This truck is used by Road and Bridge Maintenance crews to transport employees and materials to work sites, set up work zone signs, and pull trailers with small equipment. These trucks also have a truck bed toolbox onboard that carries various tools and safety gear for light maintenance on dump trucks and other equipment used for road maintenance.

Notes:

Fleet evaluates all vehicles and equipment up for replacement before requesting bids.
