June 23, 2025

The following is to ensure that vendors have complete information prior to submitting a *Request for Proposal*. Here are some clarifications regarding the Sedgwick County Department of Aging & Disabilities – CDDO Intellectual and Development Disability Programs (State Aid).

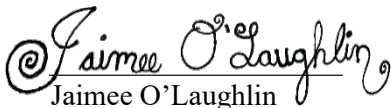

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

- 1. Under Transportation, would vehicle purchases be eligible expenses under this RFP? It would both be supporting individuals with IDD to maintain employment and improve community inclusion opportunities. It would also mean that more people would be able to access their community, thus expanding our current service.**

The answer to the question is no. The only transportation activity listed in the RFP is transportation stipends and it does not include vehicle purchases.

Firms interested in submitting a *Request for Proposal*, must respond with complete information and **deliver on or before TUESDAY, July 1, 2025 1:45 pm CDT**. Late responses will not be accepted and will not receive consideration for final award.
