# **Accomplishments and Strategic Results**

### Accomplishments

The County Counselor's Office is responsible for providing sound legal advice in a prompt and responsive manner to all County departments to reduce legal exposure and ensure compliance with State and Federal laws to enable County officials to make informed, legally sound decisions in real-time and to mitigate legal risks, which mitigate potential litigation and save the County substantial legal costs. In 2024, this was accomplished by the attorneys of the Office collectively accomplishing 242.5 continuing legal education hours, demonstrating commitment to professional development, maintaining and enhancing expertise, and staying current on evolving laws and legislation affecting County government.

In 2024, the County Counselor's Office worked on 528 total cases and claims (excluding bankruptcy and County Court cases). These were comprised of 45 lawsuits; 17 employment related complaints involving Kansas Human Rights Commission/Equal Employment Opportunity Commission (KHRC/EEOC), Department of Labor (DOL) or Department of Justice (DOJ); 440 economic units before the BOTA; and 20 claims for damages, 16 of which were K.S.A. 12-105b claims. Also, the County Counselor's Office has handled several matters on behalf of Risk Management.

### **Strategic Results**

Strategic results for the Counselor's Office included the following measures in 2024:

- The County Counselor's Office defends the County Appraiser's valuations in commercial property
  appeals docket with the Kansas BOTA. The County Counselor's Office strives to maintain an annual
  successful defense percentage of 85.0 percent of appraised value appealed to the Kansas BOTA and
  the courts. In 2024, out of approximately \$1.7 billion, the County Counselor's Office preserved 95.0
  percent of appraised value appealed to the Kansas BOTA. This amount is equivalent to over \$1.5
  billion of property taxes in appraised value preserved.

The average time to disposition of County Court parking cases is 35 days. In 2024, there were 299 parking tickets written. Of that amount, 170 cases met the established time to disposition goal, which is equivalent to a clearance rate of 56.9 percent. #### Sedgwick County Court

County Court is authorized by K.S.A. 19-101d and was created to enforce County codes and resolutions through the criminal prosecution of violators. It was created by BOCC resolution in 1990, when it handled only Animal Control cases. Since its creation, more "enforcing" departments have become aware of its functional authority and have begun to seek prosecution for violations of County codes. The County Counselor is responsible for prosecution of all cases filed in County Court.
