I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the county. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore, the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however, no guarantee is made that information will be withheld from public view.

II. Background

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 514,000 persons. It is the 16th largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas' counties. Organizationally, the county is a Commission/Manager entity, employs nearly 2,500 persons, and hosts or provides a full range of municipal services, e.g. – public safety, public works, criminal justice, recreation, entertainment, cultural, human/social, and education.

Sedgwick County serves clients that may be hearing impaired. The county seeks to provide services that all can access. This includes competent language assistance to individuals with communication needs, such as sign language interpretation. By providing this service, the county is able to meet, grant, and contract requirements of some programs. The county has historically provided this on-demand service that many departments utilize. For example, the Sedgwick County Department of Aging & Disabilities (SCDOAD) conducts intakes and functional assessments for individuals with intellectual/developmental disabilities and regularly requires use of sign language interpreters. In particular, the SCDOAD requires, on multiple occasions, tactile sign language for individuals that are both deaf and blind. Some intakes and assessments may be completed via virtual platform, but those needing a tactile sign language interpreter would require an in-person interpreter. In-person intakes and assessments or those requiring tactile sign language interpretation will be held at an agreed upon location, which may be the SCDOAD office building or at a service agency.

III. Project Objectives

Sedgwick County, Kansas (hereinafter referred to as "county") is seeking a firm or firms to provide on-call sign language services. The following objectives have been identified for this contract:

1. Acquire on-call sign language services meeting the parameters, conditions and mandatory requirements presented in the document.
2. Establish contract pricing with the vendor that has the best proven "track-record" in performance, service and customer satisfaction.
3. Acquire on-call sign language services with the most advantageous overall cost to the county.

No information other than the respondent's name will be disclosed at Bid Opening. We will continue to have Bid Openings for the items listed currently. V. Scope of Work

The requested services will consist of providing American Sign Language and Tactile Sign Language interpretation on an as-needed basis for county programs and services at various county and community facilities. In addition, interpretation can include medical content and may include work in the field such as home visits, outreach, and medical/emergency calls.

Standard Services:

Interpretation for standard services is required, which would include meetings and appointments that are scheduled with advance notice during standard business hours (Monday-Friday, 7:00 am - 7:00 pm). The county wishes to offer these services in-person and via automated systems (video and other electronic devices).

Interpreters must acknowledge and confirm receipt of interpreter requests within a maximum of 48 hours ensuring timely coordination and service delivery.

Emergency Services:

Services that are required within two (2) hours' notice or are needed after the defined Standard Services hours during the evening, weekend, and possibly holiday, are considered emergency services. These include services in settings where the need for sign language interpretation services cannot be planned for in advance, which would be considered on-call emergency notice. In addition, there are county programs or services that operate 24/7 that may require sign language interpreting services after the defined Standard Services hours. The county wishes to offer these services in-person and via automated systems (video and other electronic devices).

If proposers are unable to provide both standard services and emergency services, Sedgwick County reserves the right to award contracts to one (1) or more vendors to provide either standard services, emergency services, or both.

VI. Sedgwick County's Responsibilities

- Provide information, as legally allowed, in possession of the county, which relates to the county's requirements or which is relevant to this project.
- Designate a person to act as the County Contract Manager with respect to the work to be performed under this contract.
- County reserves the right to make inspections at various points of the project. Contractor agrees to openly participate in said inspections and provide information to the county on the progress, expected completion date and any unforeseen or unexpected complications in the project.

For Emergency Notice Services

1. Meet all requirements listed above for Standard Services as well as those items listed below.
2. Ability to be available within two (2) hours of an on-call emergency notice.

C. Evaluation Criteria

The selection process will be based on the responses to this RFP. County staff will judge each response as determined by the scoring criteria below. Purchasing staff are not a part of the evaluation committee.

Component	Points
A. Experience interpreting for the deaf and hard of hearing, deaf-blind, or speech-impaired individuals.	20
B. Primary Staff Qualifications	20
C. Firm Availability	20
D. References	20
E. Cost	20
Total Points	100

Assume the following cost proposals (**examples only**)

- A. \$50,000.00
- B. \$38,000.00
- C. \$49,000.00

Company B with a total price of \$38,000.00 is the low offer. Take the low offer and divide each of the other offers into the low offer to calculate a percentage. This percentage is then multiplied by the number of points available for the cost. In this case, 10 points are allocated to cost.

A. \$38,000.00 divided by \$50,000.00 =.76	.76*10	7.6 points
B. \$38,000.00 divided by \$38,000.00 =1.00	1.00*10	10 points
C. \$38,000.00 divided by \$49,000.00= .77	.77*10	7.7 points

Any final negotiations for services, terms and conditions will be based, in part, on the firm's method of providing the service and the fee schedule achieved through discussions and agreement with the county's review committee. The county is under no obligation to accept the lowest priced proposal and reserves the right to further negotiate services and costs that are proposed. The county also reserves the sole right to recommend for award the proposal and plan that it deems to be in its best interest.

The county reserves the right to reject all proposals. All proposals, including supporting documentation shall become the property of Sedgwick County. All costs incurred in the preparation of this proposal shall be the responsibility of the firm making the proposals. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service which best meets its required needs, quality levels and budget constraints.
