### ADDENDUM #1

#### RFB #25-0055

#### 3 EA. 2026 1/2 TON POLICE PACKAGE (PPV) CREW CAB TRUCKS

July 30, 2025

The following is to ensure that vendors have complete information prior to submitting a ***Request for Bid***. Here are some clarifications regarding the 3 ea. 2026 1/2 Ton Police Package (PPV) Crew Cab Trucks:

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

**1. Ford is still building the 2025 Police F150. Will a 2025 model be accepted?**

*Answer: The current model year is acceptable.*

**2. The interior specs call for a 40/20/40 seat which is not available on the Police Responder F150. Will that be an issue?**

*Answer: No*

**3. The specifications did not list a trailer brake controller. It is a separate option. Do you want to include it?**

*Answer: No if it is not a standard option.*

**4. A 6 1/2-foot bed is not available. The F150 comes with a 5 1/2-foot bed. Will that be an issue?**

*Answer: Yes, a 5 1/2-foot bed is acceptable.*

**5. The specifications list a “surveillance mode interior lighting option”. What is that?**

*Answer: It gives the Officer the ability to turn off daytime running lights and interior lights. Each vendor specs differently so we added it to be sure.*

Firms interested in submitting a ***Request for Bid***, must respond with complete information and **deliver on or before 1:45 pm CDT, Tuesday, August 5, 2025**. Late responses will not be accepted and will not receive consideration for final award. **“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE RFB RESPONSE PAGE.”**
