

# Sedgwick County, Kansas Overdose Data to Action (OD2A)

*Presents a No-Cost Virtual Training*

## Lived Experience with Substance Use Disorder

**Thursday, August 21, 2025 | 12:00 CDT**

Register Here: [SUD Lived Experience](#)

This training highlights how personal storytelling can be a powerful force in the recovery journey from substance use disorder (SUD).

Participants will explore how authentic recovery stories build connection, challenge harmful stigma, and open doors for others seeking help.

### Learn how:

- Language shapes perception
- Stigma influences access to care
- Sharing lived experience can reduce isolation & spark systems change.
