ADDENDUM #1 RFP #25-0062 TRASH COLLECTION SERVICES

October 7, 2025

The following is to ensure that vendors have complete information prior to submitting a ***Request for Proposal***. Here are some clarifications regarding the Trash Collection Services:

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1. **The Sedgwick County 4-H Extension Center has a 6yd container for single stream. Is Sedgwick County still wanting this service?**

Yes, please continue this service. This RFP is for Trash Collection only and will not affect recycling services. Sedgwick County plans to issue an RFP to address recycling services at a later date.

2. **Community Correction Center at 905 N. Main has (2) 95-gallon recycle carts that are serviced every other week and I think there might be others. I just remembered this location today when reading the RFP. Is Sedgwick County still wanting this service at these few locations?**

Yes, please continue this service. This RFP is for Trash Collection only and will not affect recycling services. Sedgwick County plans to issue an RFP to address recycling services at a later date.

Firms interested in submitting a ***Request for Proposal***, must respond with complete information and **deliver on or before 1:45 pm CDT, October 21, 2025**. Late responses will not be accepted and will not receive consideration for final award.

“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE RFI RESPONSE PAGE.”
