Overview

The Sedgwick County Department of Aging and Disabilities provides services for older adults and individuals with disabilities in Sedgwick County to assist them in maintaining their independence and reducing institutionalization. The Department also administers the Central Plains Area Agency on Aging (CPAAA), which funds and provides services for older adults in the tri-county area consisting of Sedgwick, Butler, and Harvey Counties through State and Federal funds. The agency is responsible for planning and coordinating a comprehensive service delivery system to meet the needs of older adults and persons with disabilities in the tri-county area.

Strategic Goals:

- *Older adults, people with disabilities, and caregivers have user-friendly access to community resources and information*
- *Increase community awareness of services for older adults and people with disabilities through marketing, education, and outreach*
- *Increase efficiency and effectiveness of operations*
- *Exercise leadership to make progress on complex system challenges*

Highlights

- The Sedgwick County Community Developmental Disability Organization (CDDO) consolidated into the department in 2023. Team members worked together to identify challenges and opportunities to assist in the process, and are currently working to develop a new 2025-2028 strategic plan
- In 2024, CPAAA received an achievement award at the national USAgging annual conference. The award was for CPAAA's multimedia health and wellness program and the impact it had on the community and development of new ways to engage older adults in health activities during coronavirus disease (COVID-19) and beyond

Accomplishments and Strategic Results

Accomplishments

In 2024, through American Rescue Plan Act (ARPA) funding, older adults in Butler, Harvey, and Sedgwick Counties had access to hearing tests and hearing aids, as well as assistance with payment for rent and utilities. These services were identified as an unmet community need and successfully served 52 people with rent and utilities assistance, and 30 people received hearing aids to improve socialization.

In 2024, the department became a recognized Dementia Friendly Organization identified to lead the Dementia Friendly Sedgwick County Initiative. It was determined that the department would work with the community action team across three sectors to advance dementia friendliness. More work will follow in 2025.

Virtual and in-person trainings were provided to five Older Americans Act (OAA) nutrition providers and 40 mill levy subcontractors with the goal to improve accuracy and timely completion of monthly financial reports and billing. Following the trainings, CPAAA and partner agencies developed enhanced communication.

Strategic Results

The Department works on a variety of programs that assist older adults in remaining in their homes for as long as possible. Programs include assessment for the Home and Community Based Services Frail Elderly, Brain Injury, and Physical Disability Waivers. Additionally the Senior Care Act program and the First Steps both provide assessments, services, and support to older adults in their homes. In 2024, the goal was to complete 4,000 assessments assisting consumers to remain in the community. Programs assisted 5,878 with obtaining the in-home services that will help them remain in the community and the home of choice.

Nutrition programs for older adults reduce food insecurity, malnutrition, reduce social isolation, and improve mental and physical wellness. In 2024, CPAAA's goal for the ARPA funding was to improve nutrition program service and reporting. Identification of a nutrition management information system (MIS) vendor and platform design initiation was achieved. After implementation, the goal of the nutrition MIS is to improve accuracy and timely reporting of Nutrition programs by 75.0 percent.

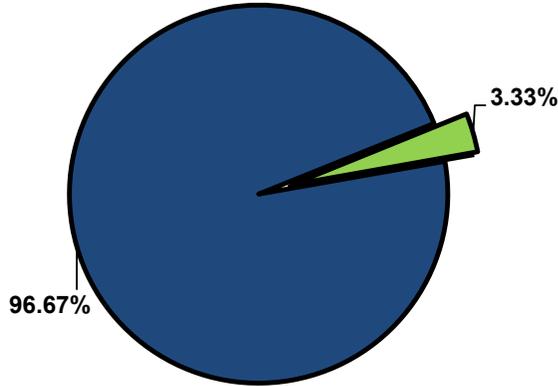

Significant Budget Adjustments

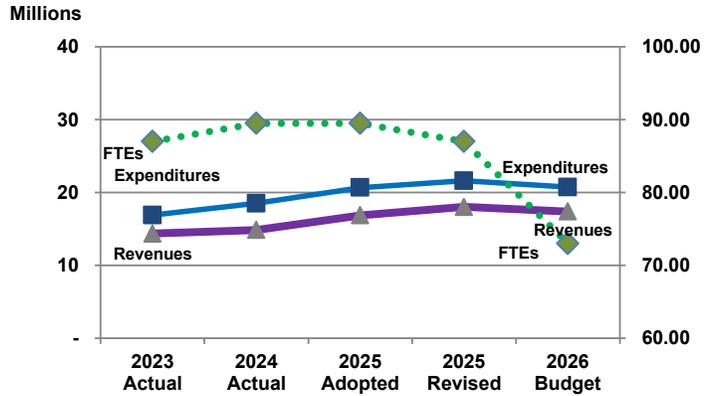

Significant adjustments to the Department of Aging and Disabilities' 2026 budget include a \$1,074,636 decrease in expenditures, a \$946,243 decrease in revenues, and 13.25 full-time equivalent (FTE) positions due to the elimination of a contract, a \$584,896 increase in expenditures and \$509,396 in revenues due to an anticipated increase in grant funding, a \$398,215 increase in expenditures, a \$205,000 decrease in intergovernmental revenue, and a \$192,079 increase in revenues to bring in-line with anticipated actuals, a \$189,983 decrease in expenditures due to a decrease in roll-over grant budget authority in 2025, an \$82,500 decrease in capital equipment due to a vehicle purchase in 2025, a \$71,655 decrease in transfers out and \$64,495 decrease in transfers in due to a decrease in grant match required, a \$70,916 increase in personnel due to the addition of 1.0 FTE Accountant position, and a \$70,521 decrease in personnel due to the elimination of 1.75 FTE positions.

Overview

The Sedgwick County Department of Aging and Disabilities provides and funds services for older adults and individuals with disabilities in Sedgwick County to assist them in maintaining their independence and reducing institutionalization. The Department also provides administrative support for the Central Plains Area Agency on Aging (CPAAA), which funds and provides services for older adults in the tri-county area consisting of Sedgwick, Butler, and Harvey Counties through State and Federal funds.

Administration focuses on planning, resource development, and oversight. Administrative and program budgets and expenses are monitored to ensure efficient utilization of resources in accordance with grant and funding requirements.

Strategic Goals:

- *Older adults, people with disabilities, and caregivers have user-friendly access to community resources and information*
- *Increase community awareness of services for older adults and people with disabilities through marketing*
- *Improve collaboration and coordination with transportation providers across the region*
- *Increase health and wellness opportunities under CPAAA*

Highlights

- The Department has continued the successful merger of the Sedgwick County Community Developmental Disability Organization (CDDO). Programs are working on collaboration and development of efficiencies
- In 2024, the Kansas Legislature moved 220 individuals in Sedgwick County off of the intellectual and developmental disabilities (I/DD) waitlist. In preparation, the Department requested the addition of staff to handle the increased workload and ensure access to services

Accomplishments and Strategic Results

Accomplishments

The Department of Aging and Disabilities utilized Text Request software, a short message service (SMS) messaging platform, which allowed the department staff to communicate via text message with program participants. Staff and consumers use Text Request to schedule appointments, ask questions, requests for services, and collect electronic signatures for forms, reducing the burden on clients and staff.

Strategic Results

The goal for 2024 was to enhance marketing and outreach efforts with an outcome of an increase of 20.0 percent of contacts to the Aging and Disability Resource Call Center. The Department distributed 2,000 Explore Your Options booklets, Aging and Disability Resource Center postcards, and increased community education events resulting in 33,347 contacts to the Call Center, a 16.0 percent increase.

Nutrition programs for older adults reduce food insecurity, malnutrition, reduce social isolation, and improve mental and physical wellness. In 2024, CPAAA's goal for American Rescue Plan Act (ARPA) funding was to improve nutrition program service and reporting. The goal for a 75.0 percent improvement in accurate and timely reporting with a new nutrition management information system (MIS) was not achieved; however, a new nutrition management information system (MIS) was obtained.

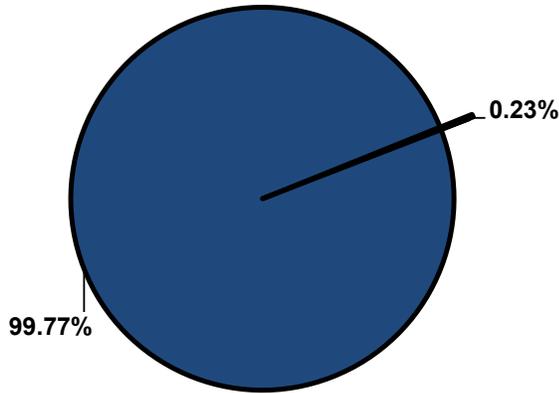

Significant Budget Adjustments

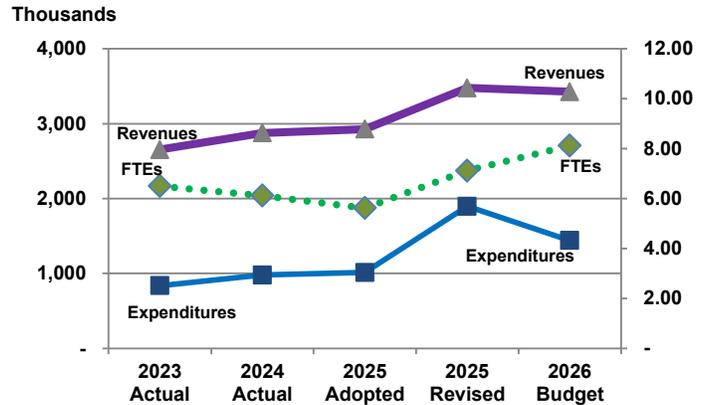

Significant adjustments to the Department of Aging and Disabilities - Administration 2026 budget include a \$189,983 decrease in expenditures due to a decrease in roll-over grant budget authority, a \$120,243 increase in personnel due to the transfer of 1.60 full-time equivalents (FTE) from various programs, a \$104,592 decrease in personnel due to the transfer of 1.10 FTEs to various programs, and a \$35,458 increase in personnel due to the addition of 0.5 FTE Accountant position.

Department of Aging and Disabilities - Community Based Services

Mission: *Assisting older adults, caregivers, persons with disabilities, and individuals with low-income to achieve improved health and greater independence.*

Jennifer Lasley
 Director of Information and Community Services

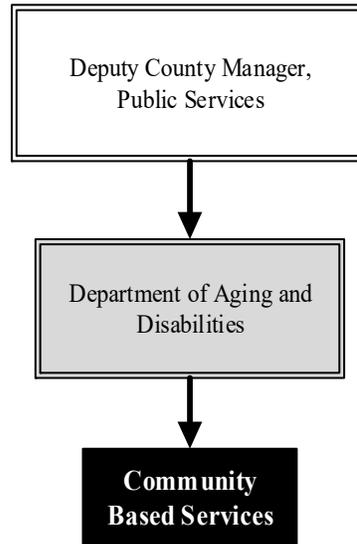

271 W. 3rd St. N., Suite 500
 Wichita, KS 67202
 316.660.5128

jennifer.lasley@sedgwick.gov

Overview

The Sedgwick County Department of Aging and Disabilities provides services for older adults and individuals with disabilities in Sedgwick County to assist them in maintaining their independence and reducing nursing home placement. The Department also provides administrative support for the Central Plains Area Agency on Aging (CPAAA), which funds and provides services for older adults, caregivers, and persons with disabilities in the tri-county area consisting of Sedgwick, Butler, and Harvey Counties through State and Federal funds.

Community Based Services is committed to providing resources, assessment, and programs to meet community need. The target population includes individuals 60 years and older, persons with disabilities, professionals, and caregivers.

Strategic Goals:

- *Older adults, people with disabilities, and caregivers have user-friendly access to community resources and information*
- *Increase community awareness of services for older adults and people with disabilities through marketing*
- *Improve collaboration and coordination with transportation providers across the region*
- *Increase health and wellness opportunities under CPAAA*

Highlights

- In 2024, 142 Retired Senior Volunteer Program (RSVP) volunteers provided more than 26,362 hours of volunteer service. This equals a service impact of \$882,863 going into the community. RSVP assisted individuals through various projects including tax preparation, home delivered meal services, and veterans assistance events
- In 2024, through Information and Referral, the Department assisted 23,086 individuals to access community resources, programs, and services

Accomplishments and Strategic Results

Accomplishments

American Rescue Plan Act (ARPA) funding was extended through September 2024 to continue efforts to address social isolation, food insecurities, unmet health needs, mental and physical wellness, education, and access to community resources. Through this process, the CPAAA coordinated with partners for delivery of hearing aid assistance, dental services to the homebound, rent/mortgage and utilities assistance, and recreational classes. Additionally, 26 senior centers located in Butler, Harvey, and Sedgwick Counties received modernization and enhancement upgrades.

The Department published the Explore Your Options booklet, Aging and Disability Resource Center postcards, and increased community education events. Enhanced marketing and expanded outreach efforts for the Aging and Disability Resource Center resulted in 33,347 contacts to the Call Center.

Strategic Results

The Administrative Case Management (ACM) program assists functionally eligible individuals access Medicaid Home and Community Based Waiver Services (HCBS) and the Program for All Inclusive Care for the Elderly (PACE). In 2024, the ACM goal was to serve 1,000 people. CPAAA staff served 2,687 unduplicated people.

In 2024, the Department had a goal to increase mental health support for older adults and caregivers. The Caregiver Support Group was launched providing emotional and practical support for caregivers through shared experiences and coping strategies to navigate the challenges of caregiving. CPAAA also sponsored three education and wellness events in 2024: Caregiver Summit, Wellness in the Park, and a Hoarding Workshop. Over 250 individuals increased their knowledge from attending these events including first responders, social service professionals, caregivers, and individuals struggling with hoarding.

In 2024, a goal was established to complete a community needs assessment, with the results to influence mill levy and Older Americans Act (OAA) funding allocation and new program development for 2026 - 2029. A total of 594 surveys were received.

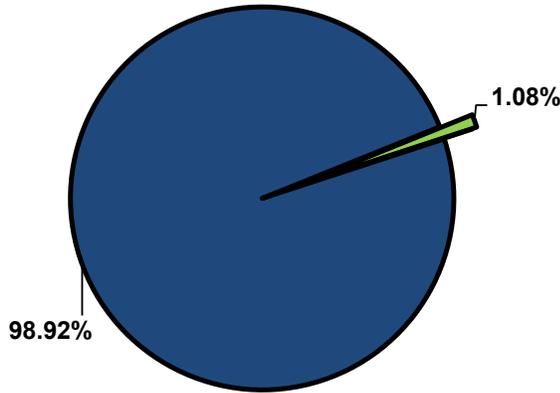

Significant Budget Adjustments

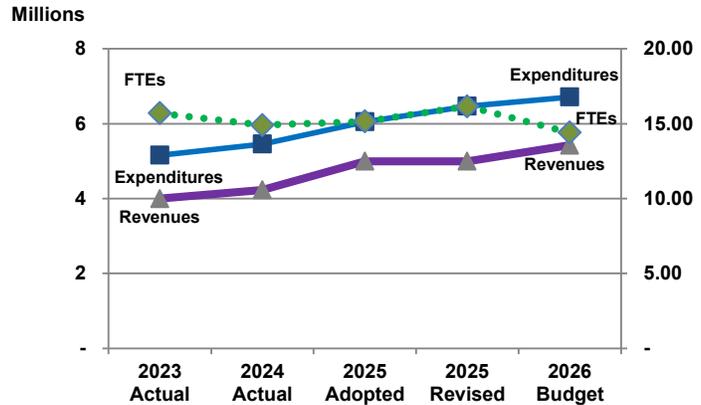

Significant adjustments to the Department of Aging and Disabilities - Community Based Services' 2026 budget include a \$406,000 increase in expenditures and \$330,500 increase in revenues due to anticipated increases in grant funding, a \$238,672 increase in expenditures to bring in-line with anticipated actuals, a \$70,521 decrease in personnel due to the elimination of 1.75 full-time equivalent (FTE) positions, and a \$50,000 increase in expenditures due to a transfer from In-Home Services for Senior Centers.

• Community Based Services

Through contractual arrangements, Aging delivers various community services such as legal assistance, volunteer programs, and employment services. Community Based Services are designed to meet the needs of older adults in a variety of ways. Programs promote individual enhancement, encourage independent functioning, increase mobility, improve socialization, and decrease the risk factors that can be precursors to nursing home placement.

• Senior Services

During adoption of the 2022 budget, the Board of County Commissioners authorized \$500,000 to be transferred to the Department of Aging and Disabilities to fund identified gaps in service for individuals aged 60 and older. These services included \$130,000 for the purchase of a replacement vehicle for the Department's Transportation Program; \$50,000 to provide food boxes containing meat, dairy, fruit, vegetables, and grains to over 600 older adults struggling with the increasing costs of food; \$130,000 to offer assistance with the purchase of hearing aids; \$60,000 to assist with the purchase of eyeglasses; and \$125,000 to provide assistance with paying electric, gas, and water bills. Final expenses exceeded the initial allocation due to the timing of funds allocated for purchases.

Department of Aging and Disabilities - In-Home Services

Mission: Assisting older adults, caregivers, persons with disabilities, and individuals with low-income to achieve improved health and greater independence.

Anita Nance
 Director of Client Assessment & In-Home Services

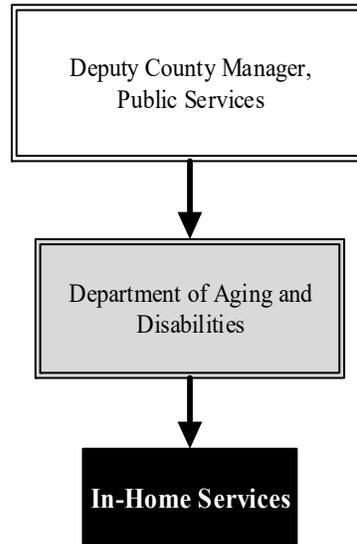

271 W. 3rd St. N., Suite 500
 Wichita, KS 67202
 316.660.5237

anita.nance@sedgwick.gov

Overview

The Sedgwick County Department of Aging and Disabilities provides services for older adults and individuals with disabilities in Sedgwick County to assist them in maintaining their independence and reducing institutionalization. The Department also provides administrative support for the Central Plains Area Agency on Aging (CPAAA), which funds and provides services for older adults in the tri-county area consisting of Sedgwick, Butler, and Harvey Counties through State and Federal funds.

The Client Assessment and In-Home Services Unit addresses long-term support and service needs for individual consumers. Functional assessments are conducted for individuals seeking Medicaid waiver programs. State and Federal case management services and support are provided to older adults in the tri-county area.

Strategic Goals:

- *Older adults, people with disabilities, and caregivers have user-friendly access to community resources and information*
- *Increase community awareness of services for older adults and people with disabilities through marketing*
- *Improve collaboration and coordination with transportation providers across the region*
- *Increase health and wellness opportunities under CPAAA*

Highlights

- In 2024, the rural meals program provided 33,056 home delivered meals to homebound older adults
- The First Steps program is designed to help adults 60 and older transition from a hospital or other health care setting back home. A CPAAA Case Manager identifies needs, develops a personalized plan, and provides support for a 90-day period serving 51 individuals in 2024

Accomplishments and Strategic Results

Accomplishments

The Department completed 5,611 Functional Assessment Instruments (FAI) in 2024. A FAI is a Kansas Department of Aging and Disability Services (KDADS) assessment for the following Medicaid waiver programs: Frail Elderly, Physical Disability, and Brain Injury.

The Client Assessment, Referral, and Evaluation (CARE) program, or nursing home assessment, was created in 1994 by the Kansas Legislature as the Kansas response to the federally mandated Pre-Admission Screening and Resident Review (PASRR) program. The goals of the assessment are to provide customers individualized information on long-term care options, determine appropriate placements in long-term care facilities, and collect data regarding individuals being assessed for possible nursing facility placement. In 2024, the Department completed 2,106 CARE assessments.

Strategic Results

The Department of Aging and Disabilities - In-Home Services had the following goals and results in 2024:

The Senior Care Act (SCA) will assess 200 older adults for health and wellness services in the tri-county region. CPAAA Case Managers completed 216 assessments, a remarkable outcome despite 100.0 percent staff turnover in 2024. The funds resulted in increased availability of health and wellness services for older adults at risk of nursing home placement in the CPAAA service region; and

The CARE program will assess 2,000 individuals, providing person-centered information on long-term care options. In 2024, the CARE program assisted 2,106 individuals, by providing person-centered information on long-term care options, resources, and determination of long-term care placement needs.

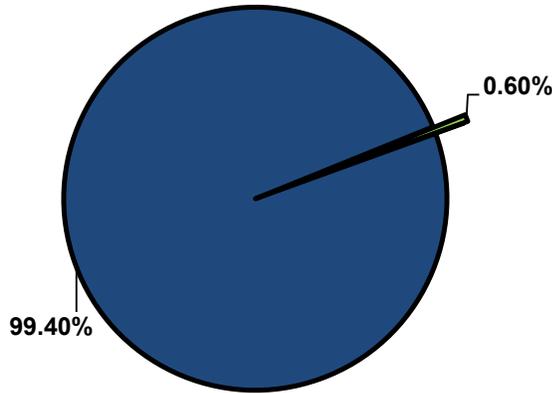

Significant Budget Adjustments

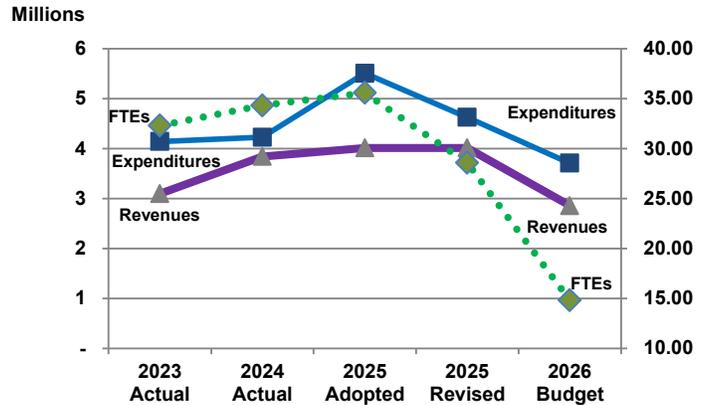

Significant adjustments to Department of Aging and Disabilities - In-Home Services' 2026 budget include a \$946,243 decrease in revenues due to the elimination of a contract, a \$738,300 decrease in personnel and elimination of 13.25 full-time equivalent (FTE) positions due to the elimination of a contract, a \$336,336 decrease in expenditures due to the elimination of a contract, a \$205,000 decrease in intergovernmental revenues to bring in-line with anticipated actuals, an \$80,988 decrease in personnel due to the transfer of 1.23 FTEs to various programs, a \$50,000 decrease in expenditures due to a transfer to Community Based Services for Senior Centers, a \$49,743 increase in personnel due to the transfer of 0.55 FTEs from various programs, and a \$10,637 increase in personnel due to the addition of a 0.15 FTE Accountant position.

• Aging Case Management

Case Management is a comprehensive approach to promote health and safety in a community-based setting through continuity and quality of services. Case Managers empower aging-in-place by delaying nursing home admissions, keeping individuals independent in their own homes, for as long as possible. Case Management will target those adults 60 years and older with the greatest social and economic need.

• Homemaker & Personal Care

People with limitations in mobility and self-care may receive personal care and homemaker services. These services are for people who do not have sufficient access to individuals who are able and willing to assist with or perform needed basic daily tasks. Personal care and homemaking services may include assistance with bathing, personal hygiene, dressing, meal preparation, grocery shopping, cleaning, laundry, and assisting with physical exercises.

Department of Aging and Disabilities - Transportation

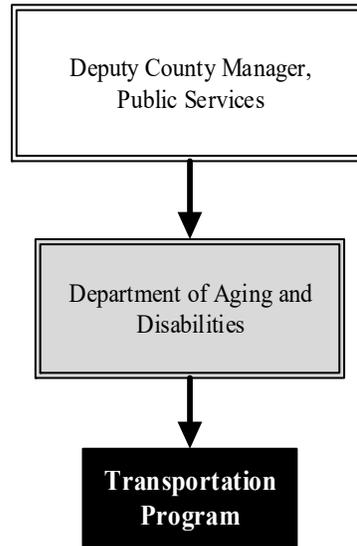

Mission: *Assisting older adults, caregivers, persons with disabilities, and individuals with low-income to achieve improved health and greater independence.*

Emily Jensen
Director of Mobility & Mill Levy Services
271 W. 3rd St. N., Suite 500
Wichita, KS 67202
316.660.5158
emily.jensen@sedgwick.gov

Overview

The Sedgwick County Department of Aging and Disabilities provides services for older adults and individuals with disabilities in Sedgwick County to assist them in maintaining their independence and reducing institutionalization. The Department also administers the Central Plains Area Agency on Aging (CPAAA), which funds and provides services for older adults in a tri-county area consisting of Sedgwick, Butler, and Harvey Counties through State and Federal funds.

Transportation provides transit services to Sedgwick County residents. The primary focus is to provide and/or coordinate accessible transportation services for the general public, older adults, persons with disabilities, and their caregivers, that allow them to remain in the community.

Strategic Goals:

- *Older adults, people with disabilities, and caregivers have user-friendly access to community resources and information*
- *Increase community awareness of services for older adults and people with disabilities through marketing*
- *Improve collaboration and coordination with transportation providers across the region*
- *Increase health and wellness opportunities under CPAAA*

Highlights

- Through funds provided by the Rural Transportation Grant, a new cut-away bus was purchased to increase ridership and bring more people into Sedgwick County one at a time
- In 2024, the Aging and Disabilities Transportation program was fully staffed

Accomplishments and Strategic Results

Accomplishments

Sedgwick County Department of Aging and Disabilities Transportation Program currently has a total of seven vehicles. The addition of one new cut-away bus allowed the Program to increase its fleet and provide additional direct transportation services to rural general-public riders.

The Program completed the ninth year as administrator for the South Central Coordinated Transit District Region 9 (CTD9). The goal of public transportation and the CTD9 is to better coordinate transit services among regions of the State to maximize efficiencies for funding provided by Sedgwick County, the State, and the Federal Transit Authority (FTA).

Strategic Results

The Department's goal was to provide 9,000 rides in collaboration with community transportation providers. In 2024, 8,120 rides were provided. While fewer rides were provided in 2024, staff are working to identify a new management information system (MIS) to leverage route optimization and increase efficiencies.

In 2024, Sedgwick County Transportation benefitted from a Transportation Feasibility study. The goal of the study was to review service delivery and operations to improve service and increase number of rides with improved route efficiency by 10.0 percent. The Transportation program completed the feasibility study in 18 months, acquiring a four-part approach to improve operations and service delivery. Growth and development from the study resulted in minor modification of internal questions, consistent staffing, and an increase in one-way rides of 77.0 percent.

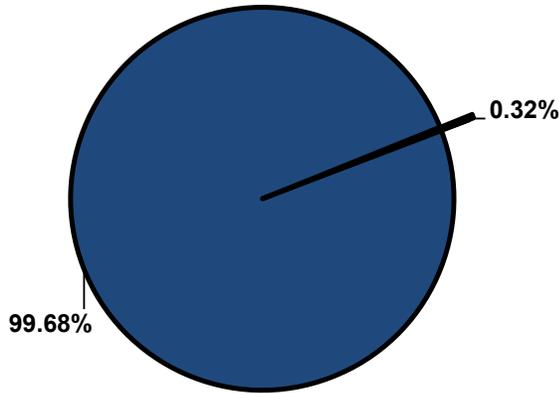

Significant Budget Adjustments

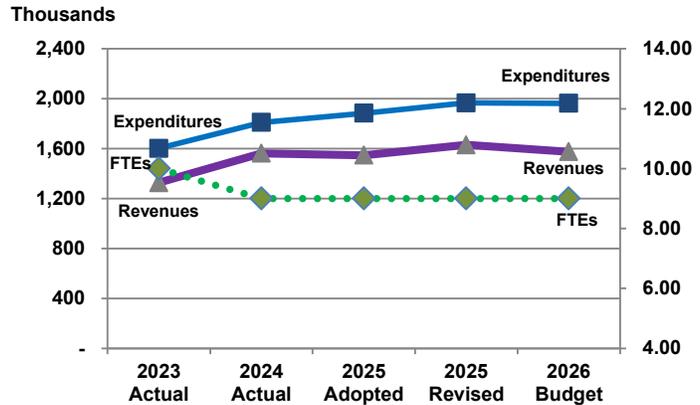

Significant adjustments to the Department of Aging and Disabilities - Transportation's 2026 budget include a \$159,543 increase in expenditures to bring in-line with anticipated actuals, \$82,500 decrease in capital equipment due to a vehicle purchase in 2025, and a \$71,655 decrease in transfers out and \$64,495 decrease in transfers in due to a decrease in grant match required.

• Sedgwick County Transportation

The Kansas Department of Transportation (KDOT) has designated Sedgwick County Department of Aging and Disabilities' sub-program Sedgwick County Transportation as Administrator of the South Central Coordinated Transit District - Region 9. As part of the 2015 KDOT regionalization changes, Sedgwick County Transportation administers funding for nine transit agencies. Sub-recipients of the 5311 rural program receive Federal and State funds passed through Sedgwick County to the nine agencies in a seven county area: Butler, Cowley, Harper, Harvey, Kingman, Sedgwick, and Sumner.

• Aging Transportation Administration

The Administration sub-program for the Department of Aging and Disabilities' Sedgwick County Transportation Program is responsible for establishing and maintaining contractual agreements with local transportation service providers. The sub-program is also responsible for providing financial and other reports to the appropriate authorities to ensure regulation compliance and that funding for the services continue.

Department of Aging and Disabilities - Community Developmental Disability Organization

Mission: *Assisting people with developmental disabilities to receive quality services and achieve greater independence.*

Stephen Shaughnessy
Director

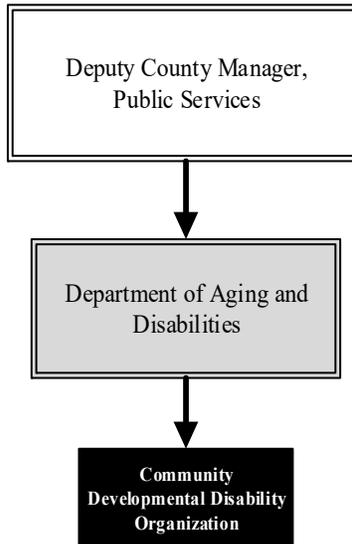

271 W. 3rd St. N., Suite 500
Wichita, KS 67202
316.660.5221

stephen.shaughnessy@sedgwick.gov

Overview

The Department of Aging and Disabilities - Community Developmental Disability Organization (CDDO) provides a single point of access for Sedgwick County residents seeking services for individuals with intellectual and developmental disabilities (I/DD). Staff completes eligibility determinations and functional assessments for those seeking services and support.

The CDDO ensures consumers are advised of choices available to them for services and monitors system capacity to develop resources where gaps may be identified. The Department ensures quality services are available to meet the needs of persons with I/DD through collaboration and contracting with a variety of community service providers who deliver an array of programs and services.

Strategic Goals:

- *CDDO will cultivate an empowered culture rooted in trauma-informed care principles*
- *The Department will ensure efficiency and effectiveness of operations*
- *CDDO will exercise leadership to make progress on complex system challenges*
- *The Department will communicate smarter, not harder; and, will improve strategic communication with internal/external stakeholders*

Highlights

- CDDO staff focused efforts to facilitate access to services for over 200 Sedgwick County residents who had been waiting up to ten years
- Outreach efforts were reinvigorated with CDDO staff engaging in over 20 transition fairs and presentations
- Partnered with I/DD system stakeholders to integrate the Charting the LifeCourse framework, strengthening policies, practices, and capacity-building initiatives across their organization and the broader I/DD network

Accomplishments and Strategic Results

Accomplishments

CDDO achieved the following in pursuit of progress on identified strategic priorities during 2024:

- The CDDO hosted a summit on I/DD and mental health. Over 70 stakeholders gathered to learn more about effective approaches for individuals with I/DD and co-occurring mental health conditions, as well as provide input on an evaluation of the mental health system;
- CDDO staff actively influenced State initiatives through participation in work groups including the Community Support Waiver Technical Assistance Group, Direct Support Worker (DSW) Training Advisory Council, and the Kansas Department of Aging and Disability Services (KDADS) Conflict Free Grant Advisory Group;
- Sedgwick County's Project SEARCH program was recognized for attaining employment for 100.0 percent of interns participating in 2023; and
- CDDO worked with KDADS to proactively conduct assessments on individuals identified as potentially receiving waiting list offers to reduce potential for a bottleneck when the Kansas Legislature funded a record-breaking 500 waiver slots.

Strategic Results

The CDDO consolidated with the Sedgwick County Department of Aging to form the Department of Aging and Disabilities. The goal in merging aging and disability services is to improve collaboration and lead to improved outcomes for aging adults and people with I/DD.

In 2024, the CDDO had the following goals and results:

- Complete 100.0 percent of referrals within ten days of the file being completed. In 2024, 96.0 percent of referrals were completed within ten days.
- Determine 100.0 percent of eligibility within five business days of the full application being received. In 2024, eligibility was determined for 99.4 percent of applications within five business days.
- Score and prepare the Quality Assurance Committee packets within 30 days. In 2024, 81.3 percent of packets were scored and prepared within 30 days.

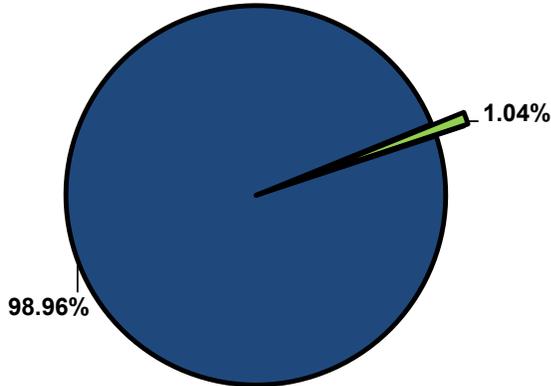

Significant Budget Adjustments

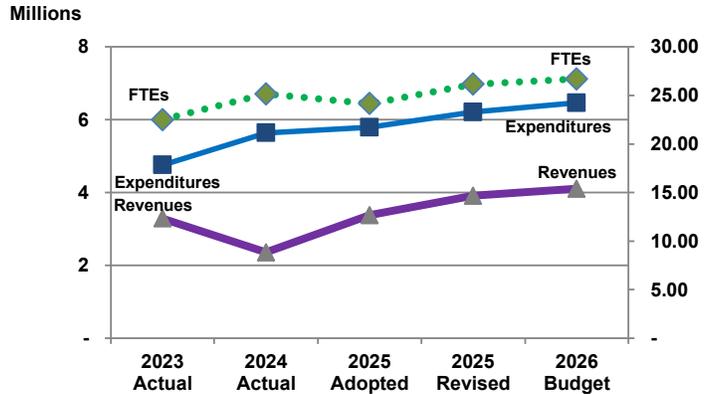

Significant adjustments to the Department of Aging and Disabilities - Community Developmental Disability Organization's 2026 budget include a \$192,079 increase in revenues to bring in-line with anticipated actuals, a \$178,896 increase in revenues and expenditures due to an increase in grant funding, a \$37,145 increase in personnel due to the transfer of 0.55 full-time equivalent (FTE) positions from various programs, a \$24,821 increase in personnel due to the addition of a 0.35 FTE Accountant position, and a \$21,551 decrease in personnel due to the transfer of 0.37 FTEs to various programs.

• Operations

The Sedgwick County Developmental Disability Organization (SCDDO) contracts with a variety of community service providers to deliver essential services to individuals in the Intellectual/Developmental Disability (I/DD) system. Throughout this process, the SCDDO plays an essential role in bringing funding, service providers, and clients together to provide the greatest benefit. The County Finance Plan provides for programs as outlined in affiliation agreements.

• Service Access & Outreach

Service Access and Outreach (SAO) acted as a central point of application and information for individuals entering the Community Developmental Disability Organization (CDDO) system. This function was designed to provide consumers with the information they needed to make informed choices about services available while alleviating misinformation, confusion, and uncertainty for new consumers. This subprogram was also the only place in the I/DD system in which the eligibility of clients for services was determined. Once eligibility was determined, SAO then provided options counseling to consumers to select a provider of case management. Requests to change providers or newly funded individuals received options counseling from SAO staff to ensure informed choice. This budget was consolidated into Administration & Finance beginning in 2024.

Quality Assurance

Quality Assurance partnered with affiliated service providers to ensure clients received high-quality services that met their individualized support needs. Quality Assurance made regular site visits to service settings, met with providers of services to discuss programs, and maintained a quality assurance committee that visited a 10.0 percent sample of clients. Quality Assurance also performed contract monitoring to ensure that affiliated service providers were meeting the terms and expectations of the annual affiliation agreement. Quality Assurance managed the annual training plan for the affiliate network. This budget was consolidated into Administration & Finance beginning in 2024.

State Aid

Prior to State Fiscal Year (SFY) '14, these funds were available through the State of Kansas to be used at the discretion of each CDDO. The current State contract restricts the CDDO's discretion to priority service areas. These priority service areas include: transportation, children's services, direct service provision, non-Medicaid eligible case management, flex funding, and emergent need. In 2022, SCDDO met with stakeholders to identify local priorities while accounting for State restrictions.

• Administration & Finance

The SCDDO receives funding from the State of Kansas for the administration of the SCDDO. This funding is to be used to defray the administration of the 1995 Developmental Disabilities Reform Act and cannot be used to serve individuals. The Service and Outreach and Quality Assurance areas also are funded through this source. This area represents the Administration and Finance staff and functions of the Department including the day-to-day expenditures. This program absorbed budgets from Service Access & Outreach and Quality Assurance beginning in 2024.

Department of Aging and Disabilities - Physical Disabilities

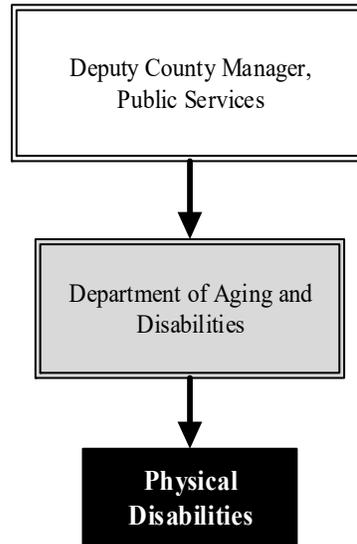

Mission: *Assisting older adults, caregivers, persons with disabilities, and individuals with low-income to achieve improved health and greater independence.*

Emily Jensen
Director of Mobility & Mill Levy Services
271 W. 3rd St., Suite 500
Wichita, KS 67202
316.660.5158
emily.jensen@sedgwick.gov

Overview

The Sedgwick County Department of Aging and Disabilities provides services for older adults and individuals with disabilities in Sedgwick County to assist them in maintaining their independence and reducing institutionalization. The Department also administers the Central Plains Area Agency on Aging (CPAAA), which funds and provides services for older adults in the tri-county area consisting of Sedgwick, Butler, and Harvey Counties, through State and Federal funds.

The Physical Disabilities Program awards funding to community-based agencies providing services that promote independence, accessibility, health, and safety. By accessing these services, persons with physical disabilities are able to continue living in the community, enhancing their quality of life and reducing the risk of nursing home placement.

Strategic Goals:

- *Older adults, people with disabilities, and caregivers have user-friendly access to community resources and information*
- *Increase community awareness of services for older adults and people with disabilities through marketing*
- *Improve collaboration and coordination with transportation providers across the region*
- *Increase health and wellness opportunities under CPAAA*

Highlights

- In 2024, Senior Services, Inc. provided home delivered meals to individuals with disabilities, assisting 85 people
- In 2024, the contracted Specialized Wheelchair Customization Program through Cerebral Palsy Research Foundation (CPRF) served 335 people

Accomplishments and Strategic Results

Accomplishments

The Home Delivered Meals Program for adults with disabilities (under the age of 60) provided 14,367 meals in 2024.

The Prescription Assistance for Persons on Disability provided by Cairn Health, assisted 162 unduplicated people, age 0-59 years of age. Without financial assistance, these uninsured and underinsured individuals face significant challenges in affording necessary prescriptions, potentially leading to worsened health and increased healthcare costs.

Strategic Results

The Department of Aging and Disabilities - Physical Disabilities had the following goals and outcomes in 2024:

CPRF will provide wheel chair modifications for 300 individuals in 2024 to enhance overall health and wellness for those served. CPRF provided wheel chair modifications for 335 individuals in 2024, which resulted in enhanced overall health and wellness for those served.

The Envision program will provide services that improve the wellness of individuals with impaired vision for at least 70 people, and provide at least 60 devices/adaptive equipment. In 2024, 94 people were served and 80 devices/adaptive equipment were provided.

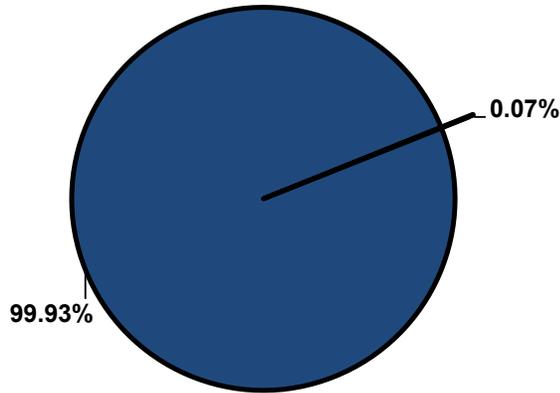

Significant Budget Adjustments

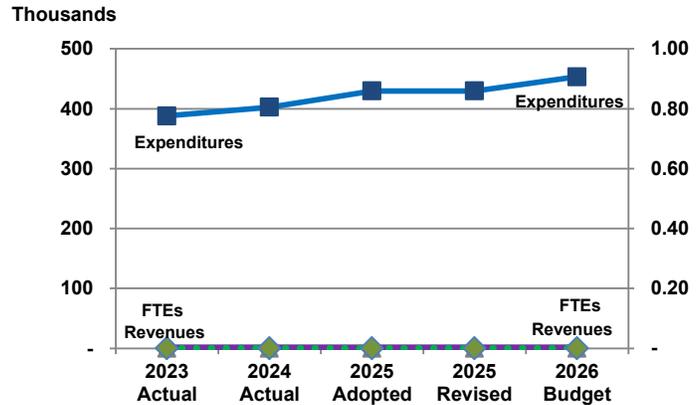

There are no significant adjustments to the Department of Aging and Disabilities - Physical Disabilities' 2026 budget.
