I. About this Document

This document is a Request for Proposal. It differs from a Request for Bid or Quotation in that the county is seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards that measure how well a vendor’s approach meets the desired requirements and needs of the county. Criteria that will be used and considered in evaluation for award are set forth in this document. The county will thoroughly review all proposals received. The county will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals. A Purchase Order/Contract will be awarded to a qualified vendor submitting the best proposal. **Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets its required needs, quality levels and budget constraints.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. Proposal responses, purchase orders and final contracts are subject to public disclosure after award. All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.

VII. Proposal Terms

A. Questions and Contact Information

Any questions regarding this document must be submitted via email to Tammy Culley at Tamara.Culley@Sedgwick.gov by 5:00 pm CDT, March 16, 2026. Firms are responsible for checking the website and acknowledging any addenda on their proposal response form.

2. Have an understanding of industry standards and best practices.
3. Have experience in managing projects of comparable size and complexity to that being proposed.

8. Have appropriate material, equipment and labor to perform specified services.
9. Park only in designated areas and display parking permit (if provided).
10. Wear company uniform or ID badge for identification purposes.

C. Evaluation Criteria

The selection process will be based on the responses to this RFP. County staff will judge each response as determined by the scoring criteria below. Purchasing staff are not a part of the evaluation committee.

Component	Points
a. Demonstrated ability to perform the scope of work	20
b. Process and strategy for providing required services	20
c. Proposal Organization, thoroughness, and completeness	20
d. Qualifications and References	20
e. Cost Competiveness	20
Total Points	100

Assume the following cost proposals (**examples only**)

- A. \$50,000.00
- B. \$38,000.00
- C. \$49,000.00

Company B with a total price of \$38,000.00 is the low offer. Take the low offer and divide each of the other offers into the low offer to calculate a percentage. This percentage is then multiplied by the number of points available for the cost. In this case, 10 points are allocated to cost.

- A. $\$38,000.00 \text{ divided by } \$50,000.00 = .76$ $.76 * 10$ 7.6 points
- B. $\$38,000.00 \text{ divided by } \$38,000.00 = 1.00$ $1.00 * 10$ 10 points
- C. $\$38,000.00 \text{ divided by } \$49,000.00 = .77$ $.77 * 10$ 7.7 points

Any final negotiations for services, terms and conditions will be based, in part, on the firm’s method of providing the service and the fee schedule achieved through discussions and agreement with the county’s review committee. The county is under no obligation to accept the lowest priced proposal and reserves the right to further negotiate services and costs that are proposed. The county also reserves the sole right to recommend for award the proposal and plan that it deems to be in its best interest.

The county reserves the right to reject all proposals. All proposals, including supporting documentation shall become the property of Sedgwick County. All costs incurred in the preparation of this proposal shall be the responsibility of the firm making the proposals. Sedgwick County reserves the right to select, and subsequently recommend for award, the proposed service which best meets its required needs, quality levels and budget constraints.
