The recommendation of Fleet Management and the Sheriff's Office is to **accept the low bid meeting specifications from Davis-Moore Automotive in the amount of \$43,983.00.**

This vehicle will be used by the Sheriff for his everyday tasks.

Parks Motors had a lower price but did not meet specifications on one (1) item. The specifications called for a front and rear wire harness and Parks Motors marked "no" on meeting this specification.

Notes:

Fleet evaluates all vehicles and equipment up for replacement before requesting bids.
